

COURT OF HONOR was held by the Boy Scouts at Mokena last Sunday. There ceremonies at which badges were awarded took place in Mokena Community park. Arthur Omland, head of scouting in Mokena, and Charles Swanberg, president of the Mokena park board, made the awards. (Marvin Smith photo)

Chosen Cheer Leader

N. Lenox Girl Honored at Normal

Marilyn Sayers, 18 years old, daughter of Mrs. Edith Sayers, 120 Elm st., New Lenox and a freshman student at Illinois State Normal university, at Normal, was chosen Wednesday a member of the schools cheer leading squad.

Seventy eight girls tried out for this position with five chosen on the "A" squad and five for the "B" squad.

Marilyn was chosen one of the 20 finalists. Ten girls were

then picked from the 20 and Marilyn finished second on the "A" or varsity squad, next to the captain. This is the first time in three years that a freshman has been chosen for the cheer leading squad.

Marilyn graduated this past June from Lincoln-Way high school where she started her cheer leading career. She was a fresh-soph cheer leader the first year, and a member of the varsity crew in her 2nd,

3rd and 4th years. In her senior year she was captain of the squad. During the summers of 1956-58 she attended the cheer leading clinic at Normal university.

During her four years at high school, Marilyn was active in Future Homemakers, (degree chairman in her junior year); Pep Club; Spanish club; Footlighters; Student Council, chorus and riding club.

Bertha Rinke, 70, Dies Suddenly

Mrs. Bertha Rinke, 70, a resident of Mokena for 45 years, died Sunday evening, Sept. 27, in St. Joseph hospital, Joliet. Mrs. Rinke had been picking apples in the orchard at the rear of their home Saturday afternoon when she apparently suffered a stroke. Her husband saw her fall to the ground, and with the aid of neighbors, carried her in the house. The Mokena inhalator squad responded and administered oxygen enroute to the hospital.

Born in Germany Jan. 13,

1889, she came to this country with her parents, Mr. and Mrs. Gottfried Fritterer when a small child. They settled on a farm on what is now Route 30 in Frankfort township. She was united in marriage with Paul Rinke in April 1914 and moved to Mokena, where their present home was under construction. Mr. Rinke was a mail carrier from the Mokena post office for 32 years and has been retired for several years.

Surviving, besides her husband, is a daughter, Marie,

Mrs. Victor Shultz, San Lorenzo, Calif.; six grandchildren and one great-grandchild; a sister, Laura, Mrs. Louis Johnson, Spencer; three brothers, Mike and Carl of Joliet, and John of New Lenox. A son, Francis, died 14 years ago.

Removal was to the Hirsch chapel in Tinley Park. Funeral services were held Wednesday morning at 10 o'clock in St. Mary's Catholic church, Mokena, with a requiem high mass, with the Rev. Fr. Cecil Koop officiating. Burial was in the church cemetery.

Orland Sewer Plans

Board Seeks Best for the Least

Members of the Orland Park village board spent the most of the meeting Monday night in a discussion of plans for a proposed sewer system.

Like so many of the communities in the suburbs, now undergoing great growth, septic tanks cannot serve any longer and a public sewer system has become a necessity.

Mark Lovejoy, village engineer and a member of DeSoto McCabe Associates, which has been retained to draft plans for a sewer system, submitted copies to the board members Monday night.

They spent the remainder of the meeting in discussing the plans, giving particular attention to the location of the lat-

erals. The councilmen will give the subject further study and hope to be able to agree on details by the time of the next meeting which will be Oct. 12.

The board wants to have the sewers located so they will be the most accessible to householders and therefore cost them less for connecting lines and at the same time add to the efficiency of the general system.

In some areas sewers may be laid in alleys, in some places the streets will be used and there are locations, it was pointed out, where it will be cheaper and better to obtain easements over private property.

"What we want to do," May-

or W. R. Schussler, Jr., said, and he spoke for the council as a whole, "is to arrive at a plan that will assure the people of the best sewer system possible for the least amount of money."

There is one advantage Orland Park has that other communities in the area lack, it was pointed out — a sewage treatment plant that is being erected by the Chicago sanitary district. Orland residents pay a sanitary district tax but this is much cheaper, it was explained, than if they had to finance the plant thru a bond issue.

Work on the treatment plant has been progressing satisfactorily. The plant will serve a population of 8,000.

New Lenox Man Gets Diploma in Banking School

Billy Van Cleave, of the New Lenox State bank staff, is one of 56 young bank employees who won diplomas at the school for the development of junior executive which was conducted at Southern Illinois University.

The diplomas were awarded last Friday, Sept. 25, by Kenneth E. Cook, president of the Illinois Bankers Association and also of the DuQuoin State bank.

The graduates were among 126 bankers who attended the seventh annual school. To receive a diploma candidates must complete two of the annual two week sessions at SIU. The school is conducted by SIU's division of technical and adult education in cooperation with the Illinois Bankers Association.

Mr. Van Cleave has been with the New Lenox State bank for the past three years. He was a teller and is now promoted to assistant cashier.

He also is treasurer of the village of New Lenox and also serves the Lions club there in a similar capacity.

Woman Injured In Car Crash Near New Lenox

Mrs. Therese Jessen, 58, of 931 S. Prairie, New Lenox, suffered severe back injuries last Thursday evening when the car in which she was riding, driven by her husband, Henry J. Jessen, Sr., 69, was struck by a truck that came out of a south ditch along U. S. 30, near the Marley road about a mile east of New Lenox.

Driver of the truck was Claude Clay, 46, Route 1, New Lenox. Mr. Jessen was shaken up as was Clay. Mrs. Jessen was taken to Silver Cross hospital in the Baskerville ambulance and after x-ray examinations was released and went home. Mr. Jessen said that since the accident his wife has been suffering intense pain in her back.

The Jessens had been to the doctor at Frankfort where Mrs. Jessen had undergone a check up and were on their way home when the accident occurred. The crash happened about 5:40 o'clock.

According to the state police report, Clay said he had been forced off the road by a passing car, apparently one

Frank Skoien, Former N. Lenox Resident, Dies

Grade and high school students at Frankfort have an opportunity to win a \$25 U. S. savings bonds by submitting the winning design for a village flag.

The flag designing contest is sponsored by the Bobzin-Swinford post, American Legion, and has the approval of the Frankfort village board.

Pupils in the sixth, seventh and eighth grades as well as those attending high school from the Frankfort community, are eligible to compete.

Further details may be obtained from Dale Johnson, at Frankfort.

Testing grain for moisture is like testing soil. Take several samples from the field to get an accurate representation of moisture content.

Traveling east, H's vehicle was in the ditch and when he pulled out onto the highway, came over into the west bound lane Jessen said, striking the left front fender and sending his car sideways along the pavement for about 25 feet. The impact hurled Mrs. Jessen from the car.

WINS FREEDOM FROM TURKS

Open Drive For Funds to Build 4-H Fairgrounds

The campaign to raise \$100,000 to build a permanent fair grounds to serve the Will county 4H clubs, opened today

Each township has a chairman to direct the drive within its boundaries.

Chairman in this area are: Arthur Mark, of the village of Frankfort, for Frankfort township; Edward Berens, Rt. 2, Joliet, for New Lenox; Wayne Krapf, Rt. 2, Monee, for Green Garden; Ronald Hack, Peotone, for that township; Mrs. Leo Lewis, Peotone, for Will township; Fred Petges, Rt. 2, Lockport, for Lockport; Willard A. Rowley, Lockport, for Homer and Mrs. Clark Watkins, Manhattan, for Manhattan.

It has been estimated that the improvements of the fair grounds site will cost \$125,000 but \$25,000 is already available. The grounds, known as Fred A. Francis Field, are on the north side of Francis road New Lenox. Ship, across from what was formerly the Francis home, now torn down.

When completed there will be an administration building and buildings for the display of livestock and farm produce.

The 4H in Will county has been using the Peotone fair grounds for its annual exhibit and its dream for many years has been to have a grounds of its own.

The late Fred A. Francis was one of the original backers of the 4H and aided it year after year in its fair. His estate has provided the land for a fair grounds and now the public, urban as well as rural, is being asked to finance the building program.

Frankfort Legion Post Backs Flag Designing Contest

Frank O. Skoien, 83, a former resident of New Lenox died Monday in the home of his daughter, Lulu, Mrs. Lee Pfeifer, 600 Benton st., Joliet.

He was born Dec. 27, 1876 in Chicago and was a minister and evangelist in the Methodist church. He was married to Miss Mary Hines of New Lenox about 1899 and established their home in Princeton, Wis., where he was pastor of the Methodist church. They moved to New Lenox about two years later to the Hines farm, two miles east of New Lenox on route 30 where they farmed until 1919 when they moved to Joliet.

He became a partner in 1923 in the Skoien and Davis auto garage and semi-retired 20 years ago.

Surviving besides his daughter is a son Charles, Los Angeles, Calif., two grand children and five great grand children.

Removal was made to the Carlson funeral home, 200 Youngs ave., Joliet where services will be held Friday afternoon at 1 o'clock. The Rev. A. A. Sorensen and the Rev. William B. Hill will officiate. Burial will be in Oakwood cemetery, Joliet.

Area Residents Drivers Licenses Are Suspended

Four area residents have lost their privilege to operate motor vehicles in Illinois according to the latest report from the Secretary of State.

Drawing suspensions for having been convicted of three traffic violations during the past year were Emmitt D. Miller, Edward F. Hotwagner, and Peter Ipema, 143rd and Central ave., all of Tinley Park, and Xavier A. Mirande, 160th and Forest ave., Oak Forest.

James Tomany Can Now Return to New Lenox On Leave From Navy

James Tomany, 20 year old sailor son of Mr. and Mrs. Lloyd Tomany, Sr., New Lenox, has been acquitted of all charges in a Turkish court in which his case has been shuffled about since late spring.

News that his son had been cleared was received by his parents late Tuesday in a telephone call from the judge legal department of the U. S. Navy at Washington.

"We are very happy to receive such news," Mr. Tomany said. "Naturally we have been under considerable strain and it is quite a relief to know that Jim is in the clear and will be home soon."

"When I talked with a navy representative Tuesday he said the case had been continued so many times that when it was finally decided Tuesday with Jim's acquittal, the suddenness caught the navy without arrangements to get him out of Turkey immediately and brought home."

"We don't know just when Jim will get here but believe and hope—it will be only a matter of days."

Mr. Tomany said he was convinced that the publicity the case has had speeded the hearings and may have had some influence on the outcome.

Highly placed officials at Washington became interested in the case due to the pressure of publicity which had its beginning in The Semmler Press, and someone on the "bridge" of the legal department of the navy apparently called for "full speed ahead."

Young Tomany's difficulties from which he had just been extricated, began while he was serving a 10 month sentence in a Turkish prison on what he contends, and the navy believes, were false charges.

A Turkish flag was allegedly torn by American service men and Tomany and a fellow sailor, Ben Day of Indiana, were picked up by Turkish police as they were returning to their ship from shore leave. The pair did not know with what they had been charged until brought to trial on Sept. 12, 1958. They denied they had touched any Turkish flag and the evidence against them was scanty but feeling was running high and the two lads were found guilty and sentenced to 10 months in prison.

That the navy believed the pair innocent was demonstrated by the fact that after holding an inquiry it was ruled that the incident would not impair the record of either boy.

Day served his 10 months and was immediately brought back to the States. Tomany was not that fortunate. Last fall one of the tasks assigned to him was the plastering and whitewashing of his cell. In the course of this job some of the material accidentally struck a fellow prisoner—a Turkish youth—in the eye.

At the time of the incident it was regarded strictly as an accident by officials and prisoners. Later the Turkish prisoner lost his eye and the loss was attributed to the plastering incident.

Tomany was said to have been negligent and in Turkey negligence which leads to personal injury of another is or can be a criminal offense. At least it was considered so in this instance.

Criminal charges were filed against the New Lenox youth and a long series of hearings (Continued to page 3)

Will County Red Cross Chapter To Elect Staff Tuesday Night

The annual dinner meeting of the Will county chapter of American Red Cross will be on Tuesday, Oct. 6 at 6:30 p.m. at the Faith Lutheran church, 353 N. Midland ave., Joliet, according to George A. Shepley, chapter chairman. Representatives from Mokena, Frankfort, New Lenox and Manhattan are slated to attend.

Mr. Shepley urges Red Cross members thruout the county to attend the meeting which is one of the most important on the Red Cross calendar. Election of chapter officers as well as nine members of the 27 member board of directors is always one of the functions of the annual meeting. All Red Cross members have a vote, can take part in making chapter policy and selecting administrators of this policy.

Four Sandburg Teachers Feted

Fifty-one years of service were recognized at the annual board of education banquet recently when four Carl Sandburg high school staff members were honored.

Supt. W. O. Fisher made the presentation of gifts to William S. Brown, Mrs. Robert Bimm and John Jorstad of Orland Park and to Mrs. Milton Geuther of Mokena.

All four staff members have been with the Sandburg organization and the forerunning Orland Park high school for more than ten years each. Prior to the recognition ceremony, board member J. M. Yarbrough addressed the group of over 70 staff members and board members.

Brown and Mrs. Bimm both came to the Orland system in 1946, but Mrs. Bimm's service was interrupted by a one year leave of absence. Both Jorstad and Mrs. Geuther came to Orland in 1948.

Jim Lounsbury Will be M.C. at Frankfort Dance

A dance for teens, with Jim Lounsbury, Chicago TV personality as master of ceremonies is to be held in the Frankfort grade school gym Oct. 17.

The affair is sponsored by the American Legion post to raise funds for its teen girl Color Guard. Dale Johnson, drill instructor for the group, said that the girls will be entered in the national contest conducted as part of the Legion's national convention at Miami next August.

As a result the unit will be busy for the coming year in various fund raising activities and it is their hope that the dance Oct. 17 will provide a major portion of the amount needed.

The Bandstand dance program conducted by Lounsbury on TV is quite popular and at dances he conducts in various communities attendance is heavy.

He will conduct contests at the Frankfort dance and winners will appear on his TV show, according to Johnson.

Dancing will be from 8:30 to midnight at Frankfort and all teens in the area are invited to attend.

The Frankfort Color Guard finished with a high score in

The speaker of the evening will be Robert Blair Ridder, President of WOCO radio and television, Minneapolis. Ridder, an active Red Cross volunteer for many years, was elected to the board of governors of the American National Red Cross in June, 1959. In addition to his varied philanthropic interests, Mr. Ridder is an ice hockey enthusiast, serving as manager of the 1952 and 1956 U. S. Olympic ice hockey team.

In keeping with the National Red Cross charter, the report of chapter activities and finances for the fiscal year will be distributed, copies of which are available to the public.

Reservations for the dinner may be made by calling Joliet 3-3494 and tickets may be purchased at the door.

Mokena Baptist Youth Group Plans Special Program

The Youth Fellowship of the Park View Baptist church Scott and LaPorte road, Mokena, have a special program arranged for Sunday night, Oct. 4, beginning at 6 o'clock, and all young people in the area—12 to 20 years old—are invited.

The program will feature Ray Hackman, a professional magician. His magic will be centered around a gospel message.

Orland Pastor Re-appointed Legion Chaplain

For the first time in the history of the American Legion, Department of Illinois, a department chaplain has been appointed to serve two

terms in succession. He is the Rev. Robert L. Plastow, 9555 144th st., Orland Park. The appointment was made at the time of the department executive committee meeting held at the state Legion headquarters at Bloomington.

Chaplain Plastow served four years with the Air Force Chaplain's Corps as welfare supervisor and two years in the Korean Theater.

He joined the American Legion in South Dakota, where he served both as district and department chaplain, before transferring to Illinois. He is now a member of American Legion Post No. 526 at Orland Park.

Chaplain Plastow is pastor of the First Methodist church of Orland Park, he is married and has three children.

the contest conducted in conjunction with the state convention of the Legion this fall and has appeared in numerous parades in the region, including the Fall Festival at Tinley Park.

The Color Guard is less than a year old so Johnson is quite pleased with its showing. He believes that with another year of practice it has a good chance to win national honors.

Farm Accident Proves Fatal to Irwin Rehberg

Irvin Rehberg, 36, Green Garden township farmer, was fatally injured yesterday afternoon while working on a combine in the farmyard at his home, a mile west and about half a mile south of the Green Garden town hall.

He and Henry Landau, a neighbor, were working on a combine and had a piece of spring steel under tension. The steel slipped and flew thru the air, striking Rehberg in the forehead, it was reported.

According to Coroner Willard G. Blood, the victim suffered a skull fracture, causing internal hemorrhage that brought about his death within half an hour after the accident. The accident occurred about 12:45 o'clock.

Mr. Rehberg leaves a wife, the former Ruby Brandau, and a daughter Jane.

Removal was to the Basketville chapel, New Lenox, and funeral arrangements were to be made today. Time for the inquest has not been set.

Can Register Yet for Sandburg Adult Classes

Altho several classes in the Carl Sandburg Adult Education program beginning Oct. 6, Tuesday, are filling rapidly, registrations will be accepted at the first class meeting.

With the exception of the Beginning Bridge, Beginning Sewing and International Cookery courses, the starting time is 7:30 p.m. The above mentioned courses will begin at 7 p.m.

To insure registration in a class at this time, it is suggested that you call the school GI 8-1520 and give your name and the course for which you wish to enroll. The fee of ten dollars may be paid at the first class meeting. The Bridge sections will carry a fee of 15 dollars.

The courses being offered this year include: Beginning Bridge, Intermediate Bridge, Beginning German, Beginning Sewing, Beginning Shorthand, Beginning Typewriting, International Cookery, Speed Reading, How to Get More Enjoyment from Good Plays and Problems in Modern World History.

Braun Sales Again Expanding Its Store Space

Braun Sales of New Lenox is again expanding its quarters. When first opened the store had an area of 800 square feet, which was later expanded to 1,600 square feet, then 5,400 square feet. With the additional space the store will have a total of 12,000 square feet.

The Braun-Hartung Corporation will open another store in March 1960 at Rts. 6 and 45.

After a total time of three years and three months in business, this will be the fourth move for the New Lenox store.

New Deadlines—Effective Now

All advertising copy, display and classified, must be in by noon of Monday of the week of publication.

Deadlines for news copy: Correspondent columns — Friday noon.

Society — Friday noon.

Scout news — Friday noon.

PTA news — Friday noon.

Sports — 11 a.m. Monday.

Proceeds From Lunch Stand at Horse Show Goes to 4-H Fair Fund

By KATHERINE HEISNER
Frankfort 5187

A parent's meeting of the Green Garden Snip 'N Snack 4-H club was held last Saturday evening at the Town hall with a discussion of what to be served at the lunch stand at the horse show in New Lenox Oct. 11. It was voted all proceeds are to be given to the 4-H Fair fund.

In the morning the outdoor meals group met at Gerdes Woods. In the afternoon the officers of the 4-H club met at the home of the president Miss Bonnie Torok. Committees of the year were elected and money raising projects were discussed for the 4-H grounds.

The Busy Homemakers Home Bureau unit will meet Wednesday afternoon Oct. 7, at the home of Mrs. Carl Johnson. The major lesson will be given by the Home Advisor, Mrs. Betty Schwin. The Green Garden Home Bureau unit will meet at the home of Mrs. Lloyd Alton Friday afternoon, Oct. 9. The major lesson chairmen are Mrs. Siegfried Beckman and Mrs. Wesley Bettenhausen. Their topic will be "Yeast Breads of Other Lands." Hair styling is the minor lesson. Mrs. Gilbert Voss is chairman.

The Green Garden Go-Getters Boys 4H Club with Elmer Roemer as leader chartered a bus Monday morning, taking a tour thru the plant of the M. Lowe seed corn plant, Granville.

Mrs. Mary Bettenhausen entertained guests at a supper, who were Mr. and Mrs. Carl Weber of Herscher, Mr. and Mrs. Carolyn Weber and sons of Manteno, Mr. and Mrs. Earl Bettenhausen and Marie Ann, Mr. and Mrs. Wesley Bettenhausen and family and Mr. and Mrs. Wm. C. Bettenhausen and family.

The Women's Guild of the St. John's church of North Peotone will have their annual chicken supper Thursday, Oct. 8, starting at 4:30 p.m.

The public is invited to attend. Tickets will be sold at the door.

The Always Faithful class of the Methodist church will hold a rummage sale at Kankakee Saturday, Oct. 17.

PTA News

Tinley Park Unit

Archery is an activity which can be shared and enjoyed by a family as a unit. This will be illustrated by a group from the Gage Park Archery Club when the Tinley Park Parent Teachers Assn. meets tomorrow evening at 8 p.m. in the Central School building. The group, under the direction of Frank Newton, includes archers who have won state and national recognition for their skill.

"Are Parents Worrying About the Wrong Things?" is the subject on which Lee Morris, supt. of Harvey schools, will expand for the consideration of those present.

Examples of "New Investments - Family Participation Activities," the theme of that evening's program, will be on display during the social period following the meeting. Refreshments will be served by mothers of seventh graders.

"Room Count Awards" are given monthly to those classrooms boasting the largest representation of parents attending that month's P. T. A. meeting. Mrs. Engle's room 103 in the Bert Fulton school and Mr. De Young's room 201 in the Central school enjoyed the honors for the month of September.

Tinley area residents and parents of grade school children, in particular, are invited to enjoy an evening of educational entertainment when the Tinley Park P. T. A. meets tomorrow night and the first Friday evening of every month of the school year. The programs are under the direction of Mrs. John Naughton, vice-president.

Boy Scout Drive For Funds Starts In Tinley Sunday

The annual fund raising drive of the Boy Scouts of Pokagon Trails Council will be held in Tinley Park, starting Sunday, Oct. 4.

Robert Enzenbacher, chairman of the drive, announces that volunteers will solicit contributions in a door to door canvass. Tinley Park is in area 3 of the Council, which covers a large territory.

Lincolnwood

Witty Knitters Honor Member At Stork Shower

By DELORES ANDERSON
New Lenox 3651

Members of the "Witty Knitters" club gathered in the home of Mrs. Dan Owen Sept. 24, where they honored Mrs. Clifford White at a pot luck dinner and stork shower.

The afternoon was spent in knitting. Many nice gifts were presented to the honored guest. Those present were Mrs. Wm. Malloy, Mrs. Marcel Hallik, Mrs. U. S. Madden, Mrs. Richard Pokorny, Mrs. Owen and Mrs. White.

Mr. and Mrs. Walter Thode left Monday morning for Minneapolis, Minn., where they will spend a week visiting their daughter, Mr. and Mrs. William E. Mott and family. During their absence, their son, Mr. and Mrs. Geo. Thode and son Kurt, of Chicago, are staying in the Thode home.

Mr. and Ralph Oldt and family had as their guests Saturday, her sister, Mr. and Mrs. Robert H. Wentzel and family from Kewanna, Ind.

4-H NEWS

Blue Winners

The Blue Winners 4-H club of Green Garden held a meeting at the town hall last Monday, Sept. 21, at 8 p.m. During the meeting the election of officers was held as follows:

Wayne Christiansen, president; Ronnie Heisner, vice-president; Carolyn Patz, secretary; Dennis Creps, treasurer; Billie Rob, reporter; Vernon Patz and Lloyd Christiansen, sentinels.

A special meeting of the newly elected officers was held at the home of Dale Kratzberg Tuesday evening, Sept. 29, at 8 p.m.

Tinley Hustlers

The monthly meeting of the Tinley Hustlers 4-H club was held at the home of Karen Bormet. The meeting was called to order by the president, Alvin Wille. Premium money was distributed by the leaders, Mr. and Mrs. Earl Siemsen.

Plans were made for a picnic to be held at Carlson Springs.

The next meeting will be at the home of Janet and Bob Butzer. Election of officers will be held.

Recreation was led by Diane Cappel.

Refreshments were served by Mrs. Irene Bormet.

Tinley Hospital Conducts Class For Volunteers

The Tinley Park state hospital is conducting its fourth orientation class for volunteers. Consisting of three sessions, the first will be held Oct. 6, the others on Oct. 14 and 22. This is a volunteer services activity to orientate new volunteers at the hospital.

The first session, to be held from 9 a.m. to 3:30 p.m., with participants guests of the hospital for lunch and two coffee breaks, will consist of talks by Herbert Altschuler, hospital psychologist and David Baruch, chief of social service.

The volunteers will be welcomed by hospital supt. John L. Cutler, M.D., who will moderate a panel discussion on "The Hospital City" and talk on "Understanding the Emotionally Disturbed Person" and the treatment program at the Tinley hospital.

The psychologist will explain the basic needs and drives of people, and Baruch will speak on "The Patient, His Family and the Community."

Other hospital personnel who will participate in the program are Burley Orrison, manager; Col. John Edwards, chief security; Mrs. Joyce Stephenson, dietitian; Joe Herman, chief engineer; and Mrs. Maxine Mayberry, personnel manager.

HAVE SIREN, WILL TRAVEL when a driver or drivers are found to take over. The Country Club Hills city council has been screening candidates for the job as chief of police of that community and at the regular meeting Monday night it was reported that the

number had been pared down to two and a choice would be made soon. In the meantime a squad car was purchased from the Cooper-Show Ford agency at Frankfort and is ready to go as soon as driver is found for it. (Marvin Smith photo)

Mokena

Parkview Baptist Hold Rally Day Sunday, Oct. 11

A big day is planned for the Parkview Baptist church, Scott and LaPorte rd., Mokena Sunday, Oct. 11, starting with the Sunday school hour at 9:45 a.m.

It is Rally Day, which means Promotion Day will be observed. A special feature of the program will be Bob Braker, an artist, who uses both oils and chalk to delight his audience. There is a class for every age, though all classes will be combined this Sunday.

The artist will also do something special for the Young People's Fellowship meeting at 6 p.m. All young people between 12 and 20 years of age in the area are invited.

Also, Mr. Braker will preach at the 11 a.m. service and at the 7 p.m. service will show his personal collection of pictures taken while he was in the jungle of Ecuador with the Aucas Indians. He also visited with Mrs. Betty Elliott, author of "Through Gates of Splendor" and the wife of one of the missionary flyers killed by the Aucas. Mr. Braker also plays the saxophone.

Everyone is invited to come and enjoy these exciting services. Those not affiliated with any other church are especially invited to attend.

The Friendly Circle of the St. John's church will meet Oct. 8, at 8 p.m.

Health will be the devotional topic discussed by Helen Manzik and Phyllis Matteo. Refreshments will be served by Dorothy Fulton, Doris Sangmeister, Joyce Bettenhausen, Betty Homering and Inez Lorenz.

The annual monthly dances sponsored by the Band Boosters will start Saturday evening, Oct. 3 from 7 to 10 p.m. at the Carpenter st. school. It will be for children of all schools from fifth through eighth grades. The following members will be chaperones for the evening:

Mr. and Mrs. Robert Schuttee Mesdames Charles Neuls, Gilbert Hurley and Ruth Dath.

Refreshments will be served at a nominal charge.

Letter Writing Week to Be Held Oct. 4 to 10

The 22nd annual Letter Writing Week will be celebrated in Tinley Park during the week of Oct. 4 to 10, it was announced by Postmaster Harry J. Dean.

"I am sure we are all aware that a personal letter is, next to an actual visit, the most intimate and economical means each of us has to communicate with our fellow human beings. Accordingly, I urge everyone to write today to those away."

Posters, depicting a mailman in a new postal vehicle called the mailster, will be displayed in post offices throughout the country. Colorful streamers, proclaiming that "Letters are fun to send and exciting to receive," will be displayed on postal vehicles.

Postmaster Dean stated that the special Week should serve as a reminder to write long-overdue letters to servicemen, hospitalized patients, foreign acquaintances, faraway friends and relatives, and others who will welcome a personal letter.

Attend Three-Day Meeting of State Hospital Heads

A meeting of hospital administrators and business managers of the states' mental hospitals was held Sept. 28 to 30 at the Robert Allerton Park in Monticello.

Attending from Tinley Park State Hospital were Burley Orrison, business manager and John Charnesky, assistant business manager, it was announced by hospital superintendent, John L. Cutler, M.D.

The meeting convened at 9:30 a.m. on Monday and adjourned at 2:45 p.m. on Wednesday.

The last day of the meeting was taken up with personal policies within the mental hospitals.

LEGAL NOTICE

The Zoning Board of Appeals will hold a public hearing at 7:30 p.m. Oct. 16, 1959 at 6825 173rd St., Tinley Park, Ill. to hear a partition requesting variation of the terms of the zoning ordinance regarding area requirements and sizes because of special hardship. The property concerned is described as follows:

Tinley Heights subdivision North one-half of the NE corner of Section 25 Township 36 North Range 12 East except that part lying South of the Union Drainage District ditch also that part of the SW quarter of the NE quarter lying North of the Union Drainage District ditch also the SE quarter of the NE quarter of section 25, township 36 North range 12 East all in Cook County, Ill.

Markham Sewer Leaks Expensive

(CNS) — The cost of pumping ground water seepage out of Markham's new sewer system will be paid by the Metropolitan Sanitary District of Greater Chicago for another 45 days.

This is the third extension of this agreement on behalf of the village since January 1 and is costing the sanitary district \$260 a day or almost \$50,000 to date.

HOLD MORE WATER

Due to a typographical error, the size of the new water tank to be constructed in Tinley Park, was given as having a 25,000 gallon capacity. The correct capacity of the tank will be 500,000 gallons.

Braves, Eagles Face Tough Foes

Rich is Heavy Favorite to Beat Lincoln-Way Gridders Saturday

Bremen's Braves, currently atop the heap -- that is tied with four other teams -- will not find the going any easier Saturday afternoon at Midlothian.

The Redmen have failed to impress in the first two encounters of the season. They stumbled to a 13-13 tie with Thornton Fractional.

It was obvious to most observers that they narrowly missed a tie with Lincoln-Way when the time ran out. The Knights were on the march and Bremen had not been able to do much about it. In fact, Lincoln-Way was inside the five-yard line with a first down.

Statistics in the game were about even. Both teams had about a dozen first downs and about the same yardage.

It may be that Lincoln-Way is a bit stronger than suspected at the season's beginning -- the Rich contest Saturday will tell the story here. But Bremen did not look a bit good.

Oak Lawn has not won one game to date. They lost the season's opener to Blue Island by a 20-0 score and then dropped the SWS opener, 13 to 7, in the rival game with Evergreen Park.

The Bremen line will have to speed up and make less penalty mistakes. In the past two contests too many penalties have been marched off against the Redmen.

The Braves had trouble stopping Howie Mann and can count on plenty of trouble with the short and stocky fullback from Oak Lawn, Julio DiPaolo. Fred Parks is counting heavily on this stocky power runner to give the big, but slow Bremen line the fits.

However, everyone is looking for Larry Callan to come up with the magic of his winning brew. This could be the week for the Redmen. Don't count on such an explosion.

Rich Norbut should be ready for some full time action by Saturday. Norbut gained some ground the few tries that he got against the Lincoln-Way squad.

If the receivers are a bit sharpened, John Mannaioni should be able to hit them. John has impressed this writer as a fine passer, but leaves something to be desired as a quarterback.

Joe Devine's Eagles gave a good account of themselves in the loss, 12-0, to the Rich Rockets last Saturday. Devine has his young men developing into a rugged squad. More should be expected as the season progresses.

The rain was a definite help to the Rich offense and a deterrent to the Eagles flying. Jeffries, Wassich and company found it rough running.

Of course, that wind-blown touchdown pass to Wagner didn't raise the spirits of the Sandburg team and coaching staff.

The Eagles made their mistakes, but a break here or there might have meant a most startling upset -- a big one.

However, the Reavis Rams have demonstrated rather conclusively that they are not thinking of a second division finish in the SWS.

O'Neill got plenty from Bob LeMonier. But it was the sparkling line play -- led by veteran Jim Jameson that brought the convincing victory for Reavis.

They just outfought the Homewood-Flossmoor club at the line of scrimmage. Many concluded that here was the real difference.

So -- Joe Devine -- you will have to face another difficult test this weekend. There was no disgrace in the Rich loss -- the Eagles showed more class than highly publicized Bloom.

Reavis, with no press clippings is just about in the same league with the Rockets.

Who do you lean to in this contest. Just don't lean to anyone -- with much emotion. We like the Eagles to fly by Reavis by a margin of scant proportions.

Actually, Devine will have to have the boys from the bluff up and ready for a real test of strength. Reavis will not let up for a minute.

We are counting on the weather being dry -- and if that is the case -- the Eagles might slip in with a victory by a short margin.

At the moment, Reavis looks about as strong as anyone in the SWS -- next to Rich.

Just how good are the Knights? That is the question that many are asking themselves. The Knights, minus star defensive back Dan Fenn, and probably their top offensive running threat, Jerry Haehnlein.

The Knights put on a brilliant final quarter surge against highly regarded Bremen on the running and passing of Howie Mann and passing of "Skip" Kruzich that almost netted a tie game.

Bremen has not looked good but the Knights have only played Lemont -- not highly respected for football prowess.

Rich proved its mettle by defeating a strong and eager Carl Sandburg team, 12-0, at Park Forest last Saturday.

The Rockets needed a little help from mother nature to score on time, but the Rockets made it a win which they deserved.

Again it was the fine passing combo of Zadek to Wagner.

Jonas Lashmet will have to have his boys well primed on pass defense if they are to Neither Bloom or Sandburg have been able to do the job and so it appears that Lincoln-Way will not have the horses.

A three touchdown margin for the Rockets. That seems to be a sane prediction.

The Knights will have to be riding recklessly if they are to make the contest any closer than this.

Cross Country In Full Swing

Cross 1-24 Sports Homewood-Flossmoor win its Homewood -- Flossmoor won its first SWS event when it beat Reavis 22-31 in a cross country meet.

Lincoln-Way defeated Bremen in a very close meet by a 27-28 score. Bremen has been considered a very good prospect for the conference title.

Rich slipped by Carl Sandburg, 27-29. Two close ones for the Eagles. In a non-conference tilt they dropped a 29-30 verdict to Naperville.

LAST WEEK'S RESULTS

Bremen 12, Lincoln-Way 6 Rich 33, Carl Sandburg 0

This Week's Predictions

By PEEPING PIGSKIN

Last week we picked 'em both right. Two-for-two. Not bad. We even picked the Sandburg-Rich contest by the two touchdown margin.

This week you can look for a result-something like this.

Look for the Eagles to rebound from the Rich loss and take a rough Reavis team by

only one score. Reavis cannot be counted dead. They gave Homewood-Flossmoor a lesson, 28 to 0.

Bremen is not going to find the going easier next week. Bremen 20, Oak Lawn--say about 9.

Oh my! Jonas Lashmet faces the Rich machine this week. For good measure let's say three touchdowns for the Rockets.

Browsing Through The Cold Stove League

By DEAN DALLAS, Semmler Press Sports Editor
Larry Callan will have to apply plenty of polish between now and the end of the season if his Braves are going to finish where they did last season.

Lincoln-Way, on the strong young legs of Howie Mann, gave the Braves all that they could want. In fact, the Braves held on desperately for the victory.

Howie Mann showed plenty of class for the Knights. He was by far the outstanding running back on the gridiron that afternoon, last Friday.

The little Mann from Lincoln-Way ran thru impossible holes, hurdled others, and seemed to make his way thru other difficult situations with the same surge as a jet breaks the sound barrier. He helped to prove the point that power can come in small packages.

Of course, his speed is a bit deceptive and thus a real advantage. He is quite fast and he starts from the line of scrimmage even faster.

He drew grudging praise from the Bremen fans when he literally jumped, ran over or around a half dozen Redmen on Redmen on a double reverse in the final desperation drive that almost paid off in a tying touchdown for Lincoln-Way. Another play and Lincoln-Way might have been.

Bremen looked plenty big, but certainly did not impress this writer as a championship type of ball team. We are ready to agree that Larry Callan will probably have to wait until next year.

The Braves' defense was not good against the little bit of Lincoln-Way passing that we saw. Strange that more wasn't used by the Knights!

I'm not a sideline coach. I don't know all of the answers, but I can ask all sorts of questions.

At times the game was quite ragged. That is, the play on part of both teams was just a bit on the mistake side.

Bremen blocked a kick and partially blocked a couple others, but the stout-hearted small men from New Lenox hung on for dear life.

Jonas Lashmet had his boys up for the contest—that is certain, but the Braves did not look good.

John Mannaioni did a fine job of passing for the Redmen. His receivers were not hanging onto the pigskin.

The Braves could break out -- if they quit making so many mistakes. However, Callan has said that his boys need experience. They do! They will have to get plenty if they are to be a real threat in the SWS. It looms much larger on the horizon -- RICH ROCKETS.

Joe Devine had a "green" gang of kids up for a rugged contest. Rich took the Eagles by a pair of touchdowns, but that was better than Bloom was able to do against the Rocket from Park Forest.

Devine has welded this unit into a pretty good football team in a couple of weeks. However, as is the case in much of the conference -- he does not have the experience needed to whip Rich.

Tony Bettenhausen is running second in the National Ratings of the big car drivers. Roger Ward is ahead of Tony.

Tony cracked his car up in the Hoosier 100 last week and at that time he and Ward were battling for the race. That is about the third time this season that accident or car trouble has forced Tony to yield the top position to Mr. Ward.

There are just four major races left in the season. It looks as if Tony will have to settle for second place this year.

Bremen Pep Club Elects Officers

Carol Fischer, 14432 S. Kenton, Midlothian, was elected president of the Pep club at Bremen high school, with Deene Erickson, 2654 Concord pl., Hazel Crest, secretary, and Nancy Simms, 167th and Kedzie, Markham, treasurer, at the opening meeting.

An all-school swim was sponsored by this group Friday, Sept. 25.

"The purpose of the organization is to foster school spirit and interest in athletics," said Marvin Block, faculty sponsor. Posters around the school, a

cheering section at all athletic contests, and afternoon game pow-wows are among the activities to be sponsored by the club.

Tinley Park

Save Paper for Cub Scout Troop Drive Set for Saturday, Oct. 10

Cub Scout troop 272 will conduct a paper drive on Oct. 10, starting at 9 am. It is requested that cub size bundles of paper be placed at the curb for easy pickup or if you prefer, paper may be delivered to the lot at the railroad parking area.

Warren Ecklund is assisting this pack and advises a cubmaster and den mothers are urgently needed! There are 31 boys who enjoy scouting with Mr. Ecklund and but two den mothers.

The columns of this newspaper have proven to be a successful medium for obtaining help in the Scouting program. It is hoped that this plea for help will also be answered. If interested in working with boys and performing a rewarding service, call KE 2-4018.

A new, older youth group is being organized for young unmarried Methodist affiliated men and women who are out of high school. The first meeting of this group is Saturday, Oct. 10, at 8 pm. in the church social hall. It is a pizza party.

Everyone will mix, roll and bake pizza in the kitchen together. An invitation to all young people of this age group is extended to come and join the fun and fellowship and get acquainted with church people of your age.

For more information call Kelllogg 2-2472. More activities for this group are in the making.

Jill Kelly, daughter of Mr. and Mrs. Charles A. Kelly, 16903 Oak Park, was pledged to Kappa Delta, national social sorority, following rush week activities at Illinois Wesleyan University, Bloomington.

Gerald C. Snyder of Waukegan, president of the Illinois State Bar Association, has announced the appointment of Tinley Park Attorney Emmanuel M. Cannonito to an ISBA committee position.

Cannonito is a member of the Civil Rights Committee which investigate matters which affect the civil rights of Illinois citizens.

Dawn Hartwig, daughter of Mr. and Mrs. Edwin Hartwig, 17232 66th Court, has been chosen a cheer leader at Joliet Junior college, where she is a freshman. Dawn was a cheer leader at Bremen Community High school throughout her high school years.

Helen Carpenter and Edna Mason are very happy. They will see the World Series games as two of the lucky people whose names

were drawn to obtain tickets.

Mr. and Mrs. Joe Andres had as dinner guests Tuesday evening, Mr. and Mrs. George Hill, Lydia and Joe celebrated their 51st wedding anniversary Sept. 29.

Mrs. Irene Goetsch spent the weekend in Iowa visiting with relatives.

Mrs. Mecca Stucky has returned to the home of her daughter, Mrs. Coy Turman, following hospitalization at St. James hospital, Chicago Heights.

Anniversary congratulations are in order for Mr. and Mrs. Frank Pannozzo of 183d st.

Dinner guests with Mr. and Mrs. Fred Nitsche Sunday were Miss Ida Meyer and Michael Kretz of Lowell, Ind. Mrs. Lois Gerrie was hostess to friends Monday evening at a toy demonstration in her home.

Sunday dinner guests with Mrs. Harriet Wagner were Mr. and Mrs. A. E. Damrow of Bradenton, Fla. and Tom Duffy of Miami, Fla.

Capt. R. W. Mason and family of Dover Air Force Base, Dover, Delaware were house guests this past week of Mr. and Mrs. Robert Mason.

Dew Drop Camp 2023 held their business meeting Tuesday evening in the American Legion hall with Oracle Nettie Kunz greeting the guest of the evening, District Deputy Mary McNabb who was given the grand honors of the society. New members received into the group were Anna Nesel and Sue Nesel. Mrs. R. L. Oates was the lucky winner of the rug. October 13 is the date for the social meeting of the month.

Ella Zeaske of Peru, was a house guest of her daughter the James Wendt family on 174th street the past week.

Mrs. Audrey Heinzen was hostess to the Dorcas circle, of the Church of Christ the past week.

The WMS of the First Baptist church held a study about State Missions at the church Wednesday morning, Sept. 23. The ladies present were Mrs.

Business and Finance

By MAURICE P. ANGLAND
By MAURICE P. ANGLAND

By the time this column is published, the steel strike may be over. It is expected that the government will invoke provisions of the Taft-Hartley Act with men returning to the plants during an 80 day cooling-off period. Theoretically, a joint fact finding committee, under government sponsorship, will be studying points of controversy with view to mediation of points of dispute.

Actually, this probably will be a repetition of the previous pattern of such disputes—political pressure will be exerted to bring about settlement of the issues and an end to the strike with the union substantially successful in its objectives.

Labor unions, generally, have been insisting that the government intervene whereas the steel firms have tried to avoid this as, from experience, they know the outcome of political interference.

Steel makers have been insisting on negotiation of "work rules" which involve work customs that have grown up thru the years where some of the jobs are not necessary under modern conditions and increase production costs.

The firms offered wage fringe benefits if these work rules could be changed. The unions are adamant in insisting on no change in these work rules. Steel firms point out that they are competing in the world market with world steel makers who are not saddled with what they term "feather bedding."

A number of other unions, particularly the Railroad Brotherhoods, are vitally interested in any successful effort to break customary work rules. Years ago the locomotive fireman was needed to do what his job title implies—stoke the boiler with first wood and later coal. Oil and now Diesels and electric locomotives changed this. Also this added locomotive power, made possible longer and heavier trains. Railroads claim they should be allowed to have "work rules" that meet requirements of modern mechanical developments rather than work rules that were satisfactory years ago.

Investors watch these developments in connection with the likely effect on the wage-price spiral. With work rule changes, the steel makers say they can give added wage benefits thru economies thus achieved. Otherwise, any added wage costs must be passed on in the form of increased steel costs to their customers.

Wage and benefit success-

Sandburg PTA Membership Drive is On

The membership drive for the Carl Sandburg High school PTA is now in progress and the chairman, Mrs. Norman Beaulieu, Palos Park, and her committee are making every effort to make this year a banner one for PTA.

The student enrollment at Sandburg will exceed 1,178 this year and parents of students now attending Sandburg will be contacted by the reg-

es of the steel workers is likely to set the pattern for other labor contracts to come up in the next few months. Competition for power among labor unions and their leaders, will likely insure this. The political power of the big labor unions is great and inter and intra-union struggles to lead such power, is sometimes bitter and as hard fought as any other political struggle. However, usually not as well publicized.

Public men have been stating that inflation is now under control. Others point out that the wage price spiral has been quietly going on for months and is likely to break out more plainly; that Congress passed a number of bills to increase spending; that Congress did not raise allowable interest rates on long term government bonds to insure orderly marketing of its bonds; that we have another deficit rather than a balanced budget, and that reduction of the debt seems impossible during good business periods and can hardly be expected in times of business stress.

ional committee members during this drive. Membership last year exceeded 1,097 parents and friends and it is hoped by the committee that each parent contacted will participate in the PTA program and enjoy its benefits. The low membership fee of 50 cents per parent pays excellent dividends by keeping parents informed as to the progress of today's education, provides social contact with neighbors and parents of other students and helps to promote better understanding of our children and their problems.

The regional membership committee members are as follows: Mrs. John F. Blaha, 9430 South 51st St. GA 2-1776 (Hickory Hills); Mrs. Willis Young, 9-3477, Orland Park; Mrs. Donald Maue, 11390 W. 158th St., Mokena, 2425, Orland township; Mrs. Erwin Hosmann, 12512 South 75th Ave. GI 8-0918, Palos Heights; Mrs. Edward S. Griffith, 8123 Gladys Lane, GA 3-4236, Palos Hills; Mrs. Edward A. Galapeaux, 12407 South 82nd Ave., GI 8-1539, Palos Park; and Mrs. William Bailey, 7308 W. 114th St., GI 8-2410, Worth.

Let's support the PTA and join now.

Farm Couples Have Chance at Bermuda Trip

Bermuda and New York City will be February vacation spots for 20 farm couples according to the Yunker Implement Co. and the Heatherwick Implement Co., area Allis-Chalmers farm equipment dealers. Winners in the nationwide Allis Chalmers fall purchase contest will get the ex-

pense paid vacation trip to Bermuda with a stopover in New York.

The dealers say any farmer is eligible to enter the contest by simply buying, between Sept. 25 and the end of the year, some of the farm equipment he needs for 1960. His firm has all the information.

The contest is unique in that it calls for estimating the time and amount of fuel required by each of four tractors plowing a given acreage. In addition, entrants are asked to write a few words on the importance of efficiency

in modern power farming.

The fall purchase contest coincides with the introduction of a new line of Allis-Chalmers tractors for the 1960s. Included are four models available in many different styles, engines, and with a variety of special optional equipment.

Total defense spending in the last fiscal year came to \$41,217,000,000. U.S. News & World Report shows how it was divided: Army, \$9,350,000,000; Navy, \$1,704,000,000; Air Force, \$18,993,000; Defense department, \$1,170,000,000.

Board Allows Rezoning of Farm Property for Baptist Church Use

by MARGOT BARTNIEK
Sycamore 8-7722

The zoning board at their regular meeting at the city hall Thursday, Sept. 24, unanimously approved rezoning of what was formerly the Henke farm, located at 177th and Cicero, to allow the Baptist church to hold services. Services are held each Sunday, with Rev. Clarence Reaka officiating. Sunday school is at 9:30 a.m. and regular church services at 11 a.m.

United Christian Church

The City Council at their regular meeting Monday held up approval of the board's recommendation. The Council claims a driveway on the property is not safe. The Council recently refused to approve the plans for a shopping center on the same grounds, it was stated.

The first meeting of the fall season of the Christian Women's Fellowship (CWF) was held at 8:30 p.m. Sept. 23, in the Thomas Lane school, 17940 Thomas Lane. Worship

service was presented by Mrs. Wendell G. Few. The play, "Deep Roots", directed by Mrs. Richard Armistead, was presented. Those in the cast were Mrs. Don Segin, Mrs. Joseph Staska, Mrs. Richard Armistead, Mrs. George Shaffner, Mrs. Zenon Sykuta, and Mrs. Paul Behrenger. Refreshments were served.

The Youth Fellowship will resume its activities in the near future. The group includes all who are in 6th grade and up through high school. New members were welcomed to the church during the past few weeks. They are: Mr. and Mrs. H. Groff, 18771 John, Mr. and Mrs. H. Van Der Marel, 4416 W. 189th st. and Mr. and Mrs. William Lindecker, 4470 W. 185th st.

The church sponsored scout troop is having a family potluck supper at the Flossmoor Community house Oct. 2

where new members will be enrolled.

The primary department of the church school is planning a hike and fun in the Tinley Park Woods. Children are asked to meet in front of the Thomas Lane schools at 1 p.m. Saturday, Oct. 3, in hiking clothes.

There will be a brief meeting of the CWF workers Sunday afternoon, Oct. 4 at 3 p.m. The place will be announced in the church bulletin. An adult discussion class will begin Sunday evening, Oct. 4, at the parsonage, 4511 W. 182nd st. The course of study and times of meetings will be determined by the group itself.

Choir practice for the church continues to be held Thursday evenings at 8:30. The regular meeting place is yet to be determined. Any interested are asked to call the parsonage, SY 9-5116.

Friday, Oct. 2, Mrs. Richard Marquardsen, president of the Christian Women's Fellowship will be attending a United Church Women's meeting. During the church service Sunday, Oct. 4, Bibles will be presented to those who are entering the Junior department of the church. All new classes will be activated then in new assignments in the new Willowview school. Children and

adults alike are reminded that the first service will begin from now on at 9:40 rather than 9:30.

St. Joseph Mission Church

To use an oft repeated phrase "History was in the making" for the Catholics of Country Club Hills. Sunday, Sept. 27, when the Mission Church of St. Josephs, Homewood, celebrated its first Masses. Rev. Joseph Burke officiated at both the 7:45 and the 8:30 Masses. He was assisted by altar boys Jack Murray, 4451 W. 182nd st. and Billy Arvant, 18235 John ave. at the first Mass and Michel Thivault, 4740 W. 183rd st. and Bill Schomburg, 4645 W. 182nd st. at the second Mass. Ushers were J. Nally, D. Kelly, T. Quigley, L. Simon, T. Hermon, W. Schomburg, J. O'Connell, and J. Murray.

Total attendance for the two Masses was 330 people. Father Burke announced that any donations at the two Masses will be kept in a special fund for the future parish. Masses will be held each Sunday at 7:45 a.m. and 8:30 a.m. at the new Willowview school.

The Women's Guild of St. Joseph's Church in Homewood will hold a salad luncheon on Oct. 7, from 11:30 a.m. until 1:30 p.m. The Guild is also planning a pantry shower for the Sisters of St. Joseph school at their Oct. 13 meeting.

Junior Chamber of Commerce
The Junior Chamber of Commerce announce a costume Halloween dance to be held Oct. 31, at the VFW hall in Homewood. Admission will be \$3 per couple with prizes for the best costumes. There are many and varied prizes, among them a 1959 model cadillac, something the kiddies will enjoy.

The City of Country Club Hills has purchased regulatory speed signs for the various speed zones of the city. At the last meeting of the CCH Jaycees, it was agreed upon that the Jaycees would be responsible for the erecting of these signs.

Junior Teen Club

The multi purpose room of Willowview school will be the new meeting place for the junior teens on the first Friday of each month, from 7 p.m. until 9:30 p.m. Art Ebert feels that it should be brought to the attention of the parents that the chaperones assume no responsibility for the young people after the close of the meetings.

Womens Club

Oct. 7 has been set aside for the next meeting of the Womens club. All women are invited to attend at the new Willowview school. A spaghetti dinner is being planned for Oct. 25 at the VFW hall in Homewood.

Boy Scouts

The Flossmoor Community House at Carol and Hutchinson sts. is where a family potluck dinner is being planned for Friday, Oct. 2, at 6:30 p.m. A letter has been sent to the parents of each of the Boy Scouts and those who are of Boy Scout age coming up from the Cub Scouts.

The final paper drive by the Scouts will take place Saturday, Oct. 3, starting at 9 a.m. All residents are asked to cooperate and put their papers out for the boys as this is the last time they will be around.

A doughnut sale is in the offing for Oct. 31. Boys will go from door to door selling doughnuts after school. Money from this sale and from the paper drive will be used to offset expenses of the troop and also to purchase equipment.

Since the circus, sponsored by the VFW at Matteson on Sept. 26, was postponed due to weather, refunds will be made to those who purchased tickets and did not use them. Contact any Scout by Oct. 9, and write your name and address on the back of each ticket for refund.

John Nicholson and Edwin Raddatz, co chairmen of the annual Boy Scout Finance Campaign, announce that volunteer workers for the fund drive in October will soon be contacted. More than 60 Cub Scouts and Boy Scouts in this area will benefit from the campaign to raise \$400 as part of the 1960 operating budget of the Pokagon Trails Council Boy Scouts of America.

Cub Scouts

The Cub Scout program for the year has not started as yet. There will be a pack committee meeting in the near future. Den mothers are urgently needed. Anyone interested in helping out as a den mother may contact Don Segin at SY 9-5353.

Dedication First School

The board of education was host Saturday, Sept. 26, at the formal dedication of Willowview school, 180th st. and Kostner ave. Open house was held from 12 noon until 3 p.m. The welcome was given by

Thomas McArdle, president, board of education. Presentation of building was made by George Wilkins, superintendent of Public Instruction, State of Illinois. Mr. Wilkins mentioned the fact that we were first to take advantage of the law passed two years ago aiding new districts such as ours in obtaining schools for our children. Ours is the first school completed under this state aid building plan.

He spoke of dedicating our selves to the program of educating our children. Also he mentioned that we must decide for ourselves whether or not we shall begin teaching foreign languages in the low grades. This added instruction is being initiated in more and more schools.

Henry Hoppe, Assistant Cook County Superintendent of Schools, was introduced and spoke a few words. Also introduced were James Nally, mayor of Country Club Hills, J. E. Merriam, developer, and Z. J. Sykuta, Superintendent of Schools, who praised the fine planning on the part of the architects, McPherson, Swing and Associates.

Mr. Sykuta introduced Mr. McPherson and the general contractor, H. Ray Anderson, whose bid was \$6,000, lower than the lowest bidder. Board members Marylou Keys, J. Del Forsgren, Anne Jeffry, Clay Ammondson, and William Watkins were present; as were past board members Harold Schultz and Don Swanson.

McPherson and Anderson contributed the refreshments which were served by Mrs. Don Wilson, Mrs. George Shaffner, Mrs. John Cox, Mrs. Robert Landeen, Mrs. Keith McCullough, and Mrs. Ed Wiens. Mrs. Don Wilson, PTA vice president, was chairman of hostesses.

Democratic Club

The Democratic club of CCH is sponsoring a visit by Senator Paul Douglas at the home of Mr. and Mrs. James Quinlan, 18110 Baker ave. on Friday, Oct. 2, at 1:30 p.m. All residents of the area are invited to hear the Senator and meet him at this time.

Personals

Welcome to Mr. and Mrs. Stanley Cuchra and their three children: Warren Cuchras Debra and Cathy. The Cuchras moved recently to 4421 West 187th st. in Unit Three. May your residence in our young but rapidly growing city be a long and happy one!

A cheerful note. Surgery was unnecessary for Miss Jackie Cooper, daughter of Mr. and Mrs. John Cooper of 18716 Baker, who recently returned from a ten day stay in Chicago Osteopathic hospital. Hope you continue to improve daily Jackie!

Leslie Harris of 17915 John ave. has been in Little Company of Mary hospital since Sept. 8. Visitors are asked to wait until necessary surgery is performed. It is hoped his hospital stay will be as short and pleasant as possible.

Congratulations to Mr. and Mrs. Joseph L. Merriam, 18101 Baker ave. on their fifth wedding anniversary, which they celebrated last Friday, Sept. 25, at Algar's and the London House.

Mr. and Mrs. Don Merriam, 18041 Anthony, spent the week end of Sept. 19 with former residents, Mr. and Mrs. Richard Erwin, at French Lick, Ind. They had a marvelous reunion, swimming, golfing and skeet shooting.

The Chicago Heights drama group has added three new members from Country Club Hills. Mr. and Mrs. Joseph L. Merriam, 18101 Baker, and Mrs. Charles White, 17827 Baker, are contributing their talents to this active group. Mr. Merriam will work on scenery and Mrs. Merriam and Mrs. White on properties. "Inherit the Wind" is their next production, with performances on Nov. 12, 13 and 14.

Baker Street in Unit 2 will shortly celebrate the second anniversary of the "Baker Street Beavers." The women have been meeting regularly each month since Oct. of 1957. The last meeting was held at the home of Mrs. James Quinlan of 18110. Members of the club include: Mrs. Robert Arbutnot, 18120, Mrs. George Bartnik, 18100, Mrs. John Cox, 18051, Mrs. James Cronin, 18111, Mrs. Richard Erwin, formerly of 18030 Anthony, Mrs. William Felber, 18041, Mrs. Thomas Harmon, 18250 Anthony, Mrs. Kenneth MacKenzie, 18031, Mrs. Don Merriam, 18041 Anthony, Mrs. Joseph L. Merriam, 18101, Mrs. Robert Pattison, 18130, Mrs. James Quinlan, 18110, Mrs. Le Roy Roll Jr., 18020, and Mrs. Edward Sickmeyer, 18040 Baker.

Registered nurses who are interested in joining the Park Forest Nurses' club are urged to contact Mrs. Lawrence Simon, SY 8-7478. The Park For-

est organization has extended a warm welcome to registered nurses in our area, to meet with them once each month and discuss the latest medical techniques etc.

Mr. and Mrs. Edward Sickmeyer of 18040 Baker had out of town guests for the week end. Visiting them were Mr. and Mrs. F. W. Schulz and daughter, Miss Kathleen Schulz, of St. Louis and Mr. and Mrs. Kenneth Schulz and their two children from Iowa.

Mrs. Thornton Francis of North Conway, New Hampshire has been visiting her son and daughter in law, Mr. and Mrs. Keith H. Francis, 4705 W. 182nd st., since September 10. Mrs. Francis left for the East Sept. 26.

The wedding of their niece in Toronto, Canada will take Mr. and Mrs. Daniel E. O'Connell of 4740 W. 182nd st. away for the weekend of Oct. 2.

Mr. and Mrs. Charles Van Horn, 17850 Baker, entertained 20 guests Saturday, Sept. 26 at a barbecue. Those present were Mr. and Mrs. Kenneth

MacKenzie, Mr. and Mrs. Carl Timmerman, Mr. and Mrs. D. Berdan, Mr. and Mrs. G. Shaffner, Mr. and Mrs. R. Galiga, Mr. and Mrs. R. Hancock, Mr. and Mrs. D. Schwenk, Mr. and Mrs. J. Wakeman of Thornton and Mr. and Mrs. T. Graves and Mr. and Mrs. R. Trout of Park Forest.

Holly Williams, 4421 W. 177th st. entertained seven girls at her 9th birthday party Saturday, Sept. 26. Guests were Sandy Van Horn, Claudine Chevanne, Sandra Peterson, Donna Schwenk, Buffy

White, Betty MacKenzie, and Karen Fitzgerald.

Heavy Rains And High Winds Sweep Area

Heavy rain squalls hit the area twice last weekend, with wind gusts that measured 70 miles an hour. There were trees broken by the wind and in some section minor property damage reported to roofs and small outbuildings.

One storm struck Saturday night and the other came early Sunday morning.

A portion of Chicago's area was drenched by rains Saturday afternoon but that was in the north. The southern and southwestern suburbs, however, caught it Saturday night and again Monday morning.

Rain fell again Monday afternoon and night.

Until about 10 days ago little precipitation had been reported in the area but since then the rainfall has been heavy.

Public Service company and Illinois Bell crews have been working overtime in the past week to repair broken lines and restore service disrupted by storms.

The Mokena fire department was kept busy Saturday night watching shorted overhead wires until the utility company could get repairmen to the scene.

Some twisters were reported in the region but their presence was not confirmed. A funnel cloud was reported near Channahon 10 miles south and west of Joliet, Saturday night but it remained aloft and apparently blew itself out without doing any damage.

Former Resident Of Tinley Park Dies in Arkansas

Mrs. Earl Scroggins, the former Barbara Manning, who lived in Tinley Park for a short time, with her sister, Mrs. Duward Stokes, died recently at Osceola, Ark., after a short illness. She will be remembered as being employed at Cavett Drug Store.

Besides her husband, she is survived by a daughter, Linda; her parents, Mr. and Mrs. Andrew J. Manning of Walnut Ridge, Ark., four brothers, Melvin Manning of Hayti, Mo., Raymond Manning of Walnut Ridge, Johnnie Manning of Tinley Park, and Carl Manning of Osceola; three sisters, Mrs. Stokes and Mrs. Charles Bailey both of Tinley Park and Mrs. Milton Todd, Chicago.

Fernway Builders Ask O.K. on Water, Sewer Extensions

(CNS) Additional testimony was to be taken at a hearing today on plans for construction of another 135 homes at the Fernway subdivision near Orland Park.

The Fernway Utility Company, Inc. is seeking approval of the Illinois commerce commission to extend its water and sewer service to the new section.

The homes will be constructed on an 80 acre tract. A total of 218 homes are in various stages of construction and planning in the initial 140 acre tract in the subdivision at 159th street and 88th avenue in Orland township.

Paul Smith, attorney for the utility, said 1961 is the target for completion of the subdivision. John Kissel, Jr. ICC examiner, is conducting the hearings in Chicago. Today's session is scheduled for 2 p.m. in the State of Illinois Building, 160 N. LaSalle st.

Garbage Truck Drivers Get Pay Increase

An estimated 1,000 Chicago area drivers of private scavenger trucks and their helpers will receive a 15 cent an hour pay increase effective Oct. 1.

A new contract signed by Local 731, International Brotherhood of Teamsters, and members of the Chicago and Suburban Refuse Disposal Association, also provides for additional 15 cent an hour pay increases on Oct. 1 next year and the year after.

Scavenger truck drivers now earn \$114 for a 40 hour week. Under the new contract they will be paid \$120 a week effective Oct. 1, 1959, \$126 effective Oct. 1, 1960 and \$132 as of Oct. 1, 1961.

Helpers, who now earn \$106.50 a week, will receive \$112.50 under the new contract, with similar increases each Oct. 1 for the next two years.

Drivers of tractor trailer scavenger trucks, who now earn \$128.25, will go up to \$134.25. Drivers required to operate high lift equipment, now earning \$135 per week, will receive \$141.

Members of Local 731 also won increases in their health and welfare benefits, with no increase in cost to either employers or employees, because of efficient operation of the trust fund.

Christian Science Healing Series Scheduled on TV

People who actually had the experiences tell their stories on "How Christian Science Heals." Station WBKB, Channel 7, will continue to show the programs at 9:45 a.m. on Sundays, it was announced by First Church of Christ, Scientist, Blue Island.

An entirely new series will commence Oct. 4. The program that day is "God's Power Renewed Bone Structure." An army colonel from Fairfax, Va., and a mother and daughter from Trenton, N. J. will explain how they were healed of conditions which had been termed incurable.

"Acquaint Now Thyself With Him" is the program Oct. 11. A Canadian business man will tell how he was healed thru prayer of a nervous condition and stomach trouble, and a Colorado Springs woman will relate how disease and deformity gave place to health and freedom thru a better understanding of God. The moderator on this program is Dr. John M. Tutt who is well known in the Chicago area.

A wide range of practical subjects is covered in this series. Other topics are 'What Religion Can Do for a Family,' 'Overcoming Dependence

Bremen High Plans 2-Day Homecoming

Bremen Community High school will set a new tradition with a two day homecoming weekend Friday and Saturday, Oct. 30-31.

A two way football contest with the new Homewood-Flossmoor High school team will double feature the freshman gridsters at noon and the varsity squad in the second halves on Saturday, Oct. 31. A half time show will be staged at the varsity game with school band music. Before the main tilt a viewing of the Bremen homecoming queen will be held.

The queen will reign thru-out the festivities. Election details will be announced later, according to Glenn Starnes, coordinator of the homecoming celebration.

A pep assembly with the entire student body participating will be held in the school gymnasium Friday, October 30, at 2:45 p.m. to spark Bremen fans for the gridiron battles on Saturday. The Pep Club will sponsor the rally.

The finale will be a homecoming queen dance Saturday Oct. 31, at 8 p.m., with the crowning of the queen to be a highlight of the evening. A live orchestra will be featured and tickets will be one dollar a person. Refreshments will be available, sponsored by the Future Homemakers of America; and the Science Club will check coats.

Gala decorations in homecoming motif will festoon the Bremen cafeteria for the homecoming occasion.

All Bremen alumni are invited to this first homecoming celebration, it was announced by T. R. Birkhead, superintendent.

Planning the homecoming festivities are T. R. Birkhead, superintendent; Glenn Starnes, principal, and an advisory council consisting of John Diehl, athletic director; Robert DuBois, Student Council sponsor; Mary Gunderson, cheerleaders' sponsor; Donald Hollingsworth, band director; Marvin Block, sponsor of the Pep club; William Cote, Science club sponsor; Sandra Montagnoli, Future Homemakers of America sponsor; Leon and Madura, art teacher; Edwin Bruell, director of publicity; Bill Dumond and Karen Dignan, students from Student Council; Sandra Peterson, cheer leader; and Jack Bauer and Richard Falk, students from the "B" Club, Bremen athletic organization.

Other committees of faculty and students will be formed later to plan the events.

Village Board Seeks Lease on School Property

Small items of business handled at the Tinley Park regular village board meeting last week, included a request that the village attorney, Robert Biederman, negotiate with the attorney for school district 146, to lease the school property adjacent to Memorial park at a cost of \$1 a year. The lease, it was stated, can be terminated by either party within 60 days.

The village will agree to pay the cost of maintenance and improvements to the property, part of which will be extension of walks.

The trustees voted to purchase office equipment for the new offices being constructed in the municipal building, at a cost of \$1593.

The attorney is also taking legal procedure to purchase property adjacent to the municipal building at a cost of

\$5,000.

Trustee Robert Suhs presented copies of the Midwest Standard Building code, which will be placed on file for 30 days before adoption by the board.

The purchase of snow plow equipment, reported by Trustee Kenneth Fulton, will be held up pending the investigation of government surplus equipment, including snow plows, which will be placed on the market and on display, as reported by Trustee Joseph McCarthy.

Sundale Group Starts Fall Meeting Oct. 27

The Sundale Homeowners Association in Tinley Park is planning to start fall activities at a meeting to be held at 8 p.m. Wednesday, Oct. 27 at the Kirby McIntosh school.

The meeting is open to all residents of Sundale Hills, whether or not they are members. Past activities of the association will be reviewed and the fall program outlined. Slide movies will be shown of previous activities and a cash prize will be awarded to some lucky person.

The executive committee

Page 8

JUNIOR WOMAN'S CLUB at Orland Park held its annual membership tea last Sunday, Sept. 27 at the home of Mrs. Merrill Cooper, marking the beginning of the new club year. Standing are: (left) Mrs. Cooper, the hostess, and Mrs. Henry Rafacz, membership chairman. Seated is the president, Mrs. Robert Johnson. (Marvin Smith photo)

Yvonne Koerner and Louis Stelter Exchange Wedding Vows Sept. 5

A Joliet couple, Miss Yvonne Koerner, of 2025 Plainfield rd., and Louis A Stelter, Cherry Hill rd., were married in St. Peter's United Church of Christ, Frankfort, Sept. 5.

The bride is the daughter of Mrs. Roy Koerner and the groom the son of Mr. and Mrs. Rudolph F. Stelter, of Joliet.

For the evening candlelight ceremony, which was officiated by the pastor, Rev. Erich Bizer, the church altar was decorated with white carnations and palms.

Mrs. Sue Brazel, Joliet, soloist, sang "O Promise Me" and "The Lord's Prayer," accompanied by Mrs. Erich Bizer at the organ.

The bride, escorted to the altar by her brother, Roy Koerner Jr., wore a white gown of puffed sleeves and imported lace, with scalloped neckline and long sleeves. The full lace skirt was floor length. She wore a single strand of pearls, a gift of the groom. A seed pearl headpiece and fingertip veil completed the bridal costume. She carried a Bible with a streamer of white roses and ivy.

The maid of honor was Miss Grace Larsen of Plainfield. Bridesmaids were Mrs. Dale Kratzberg of Frankfort and Miss Yvonne Faye Eichhorn of Joliet. All wore identical dresses of blue, crystal-ette sheath with contour belted overskirt. Their matching hats were of blue feathers and seed pearls. All wore a single pearl on a chain, white gloves and matching shoes. Their bouquets were white mums and pink garnet roses.

The groom's best man was his brother, Rudolph Stelter. Ushers were Wayne Triem and William Bruns of New Lenox.

For her daughter's wedding, Mrs. Koerner wore a blue faille dress and navy blue and white accessories.

Honored guests were the bride's paternal grandmother, Mrs. Lena Koerner of Frankfort; and maternal grandparents, Mr. and Mrs. Charles Savage of Evansville, Ind.

A reception for 250 guests was held in the church parlors following the ceremony. The bride's table was centered with a blue floral piece and wedding cake.

Mrs. Roy Koerner cut the wedding cake, Miss Charlene Crowder served coffee, and Miss Lucille Engblom, punch.

The young couple motored to

One Can't Judge Cashmere Coats From the Label

Cashmere suits and coats on today's market vary in the quality of the fabric as well as in the cost, says Jane Warden, home economist at the University of Illinois.

The most expensive fabrics are made from the fine down fiber in the fleece of the cashmere goat. These cashmires are wonderfully soft and fine and are usually considered luxury fabrics. Since they are soft and fine, they cannot be expected to give maximum wear.

Some fabric manufacturers and retailers believe that only these finer grades should be labeled cashmere.

The less expensive fabrics on the market are made from fleece containing more of the coarse guard hairs. These fabrics, also labeled cashmere, are stiffer, coarser and cost less than those made of the fine down.

Hang-tags or labels will not help you judge the quality of cashmere. They give only the percentage of cashmere, including the coarse guard hairs in the fabric.

But there is hope for more accurate information in the future. The Federal Trade Commission is seeking new cashmere definitions for labeling.

Until cashmere is defined by law, and the labeling and advertising by stores are uniform, there is no easy answer to the question of quality. Only you can decide whether the cashmere coat you want is a luxury garment.

Remember, Miss Warden is explaining cashmere fabrics - not the fine cashmere knits in sweaters.

Yellowstone Park on a wedding trip. They now reside at R. 1, New Lenox.

The bride is employed as a registered nurse at Silver Cross hospital. The groom is engaged in farming and also is employed at the Swanberg Farm and Auto Sales, Mokena.

Personalize Packed Lunches

Lunches you pack at home can be feature attractions for Dad and the youngsters.

You will receive top billing if you think about each family member as you prepare lunches, reminds Geraldine Acker, foods specialist of the University of Illinois.

Keep in mind the size, age and physical activity of each person to help determine the quantity of lunch he should have. Naturally, a man who sits behind a desk all day does not need the heavy lunch required by a man doing heavy labor in the field. The high school football player needs more to eat than the boy who is on the debating team. Youngsters in grade school require less food than older boys and girls.

Consider the kinds and amount of food family members can obtain at work or school. Some schools provide only milk. Others serve a complete meal under the federal school lunch program. You can then decide whether you will need to pack complete lunches or food to supplement the lunch provided at school or job.

Also give some thought to the food preferences of your family when planning foods to be included in packed lunches. Favorite foods are sure to complement any lunch you provide.

Remember, too, that any lunch should provide about one third of the daily food needs. Include whole grain or enriched bread, butter or fortified margarine, a protein-rich food, a cup of milk and a vegetable or fruit or both when possible.

Thurs. Oct. 1—Turkey supper, in Orland Park Methodist church dining room, serving starts 4:30 pm. fancy work for sale by WSCS.

Fri. Oct. 2—Fish fry at St. Jude's church, New Lenox, by Parents club.

TOUR AREA TO KNOW IT BETTER

Shown here are some of the board members of the Palos-Orland League of Women Voters on their return from a bus tour of the region and some of the information obtained on the journey will be included in the "Know Your Area" booklet that is to be compiled. Left to right are: Mrs. Chester Williams, Orland Park; Mrs. Stacey Raffensperger, Mrs. Glenn Aronson, Mrs. William

Cisna, Mrs. W. D. Gilreath, all of Palos Park; Mrs. George Bosworth, Palos Heights, and standing in the bus doorway, Mrs. Edward Bradshaw (left) Orland Park and Mrs. Charles Hulbert, Palos Heights. Mrs. Roger Fellows, of the Post and Rail section of Palos Park, a guest who not in the picture, summed it up: "I've lived here for some time," she said, "and never realized there is so much to see."

Woman's Club Approves Series Of Luncheons

SOC Womans club 1-24

The fall season of the Tinley Park Woman's club began Wednesday, Sept. 23, in the American Legion hall.

Mrs. Benton L. Moore, president, extended a warm welcome to a group of one hundred ladies, which included guests of 13 neighboring clubs. A series of "Get Acquainted" luncheons to be given in the near future under the direction of Mrs. William McLain was approved as a ways and means project. Mrs. Howard Ging was accepted as a new member.

Mrs. Fred Sturmer introduced Ruth J. Williams, home economist, whose program included baking ideas, different salads and simple instructions for making attractive vegetable flowers. A beautiful table setting was shown upon which foods were placed, keyed to the season of the year.

Miss Williams also displayed some new fall material by Designers Fabrics which are available to homemakers who like to sew. She concluded her program by giving away samples of all the fine products that were displayed and also the delicious dishes prepared by her.

The afternoon ended with refreshments being served to members and guests.

Hobby, Antique Show at Harvey

The 8th annual antique and hobby show, sponsored by the Harvey Memorial YMCA is on this week-end at the "Y" building, 155th and Center ave., Harvey. The show begins today, Oct. 1 and continues thru Saturday, Oct. 3. The doors will be open from 11 a.m. to 10 p.m. today and tomorrow, but will close at 6 p.m. Saturday. There is a general admission charge.

More than 20 dealers, including some from as far away as Pennsylvania, will have booths at the show. A country store from Michigan, complete with penny candy, will make

Home Bureau Members Learn How To Understand the Handicapped

The September meeting of the Bremen Home Bureau was held Thursday evening, Sept. 24 at the Tinley Park Methodist church. Hostesses were Mrs. Leroy Bauman, Mrs. Daniel Angstadt and Mrs. Albert Zwyak.

"Understanding People with Handicaps" an informative lesson, was given by Mrs. Clara Dehl Upham. Fourteen members and three guests learned that a handicapped person is a normal person who has a specific disability. In working with such people one deals with problems of health and body mechanics rather than with illness. In other words their condition is normal for them.

Guests for the evening were Mrs. Robert Worts, Mrs. John Collins and Mrs. Stanley Kilma.

Craft day was held Sept. 23 at Steger. Mrs. Bert Holup and Mrs. Donald Pope received instructions on how to do silk screen painting. A variety of Christmas crafts were learned by Mrs. Daniel Angstadt and Mrs. William Lake. A lesson on how to make dried flower pictures was taken by Mrs. Richard Seidel and Mrs. Stanley Sterkowitz. All lessons will be given to interested members at a later date.

An extra craft lesson is planned in textile painting to be given soon by Mrs. Richard Seidel.

Mrs. Clara Dehl Upham invited anyone interested to a discussion group on "Family Guidance" given by a most interesting speaker, Mrs. Lynch, at the New American Legion hall in Steger, located one block west of the stop light. The first lesson to be given is on the subject of "Discipline" on Oct. 8. The second lesson "The Role of Father in Child Training," will be held Oct. 19. The last lesson is "Your Child and You," on Nov. 17. All lessons will start at 7:45 p.m. Both fathers and mothers are invited. Everyone is welcome.

The October meeting of Bremen Unit will be Thursday evening Oct. 22 at the home of Mrs. H. A. Benck in Worth. Mrs. Joyce Lake and Mrs. Daniel Angstadt will give the lesson on "Guiding Growth of Character."

The October meeting of Bremen Unit will be Thursday evening Oct. 22 at the home of Mrs. H. A. Benck in Worth. Mrs. Joyce Lake and Mrs. Daniel Angstadt will give the lesson on "Guiding Growth of Character."

Annual Tea Marks 10th Year of Orland Park Junior Woman's Club

The Orland Park Junior Woman's club celebrated their tenth anniversary at the annual tea Sunday, Sept. 27, at the lovely home of Mrs. Merrill Cooper, 14216 Union, Orland Park. Mrs. Cooper, Mrs. H. Rafacz, the membership chairman, and Mrs. R. Johnson, the president, graciously welcomed and mingled with the old and new members.

The tea table was lavishly decorated in the club colors with a brown and yellow chrysanthemum arrangement and the attractive sandwiches, cookies and candies which required a great deal of imagination and preparation were done by the following committee members:

Sandwich committee: Mrs. R. Misker, Mrs. W. Wilson, Mrs. D. Somerville, Mrs. G. Schilling, Mrs. G. Johnson; cookie committee: Mrs. R. Johnson, Mrs. W. Mohr; candy committee: Mrs. C. McKinley; beverage committee, Mrs. D. Pedrick and Mrs. E. Harblison.

The table arrangement, done by Bob Watkins, Florist, of Tinley Park, was under the able supervision of Mrs. I. Mersmann.

Special thanks are due Mrs. O. Enk and Mrs. C. Creer for the time-consuming task of collecting place settings to serve the large group and for seeing that they were returned to their rightful owners; and the cleanup committee, Mrs. T. Gonzales, Mrs. J. Whiteford, and Mrs. W. Wilson. During

the tea the kitchen bustled with the cheerful help of other volunteers, lightening the task.

At each end of the table, tea and coffee were poured from exquisite silver services by the past presidents, Mrs. H. Steinfatt, Mrs. F. Leobe, Mrs. F. Bischoff, Mrs. O. Enk, Mrs. W. Grosskopf and Mrs. C. Creer.

After the refreshments and friendly conversation, the guests adjourned to the recreation room where they viewed a film, on the many, varied, and interesting activities and projects of the Federated Women's clubs. Accompanying the film Mrs. A. Cooper read a pertinent commentary while Mrs. M. Westlund directed the showing of the film. This film answered many questions in the minds of the new members and filled the old members with enthusiasm for the events of the coming year.

Everyone was glad to see the familiar faces of Mrs. A. Cooper, founder of the Orland Park chapter of the Junior Woman's club, and Mrs. O. Schmaedeke, the contact chairman from Orland Park Senior Woman's club. The members were proud to be able to introduce these two women who have given of their time and experience to benefit the club in the past years and look forward to their competent service in the future.

The entire silver anniversary membership tea was under the able guidance of Mrs. Rafacz. The clever name tags, incorporating the silver, brown and yellow were in keeping with the theme and were only one of the many details that made the tea such a huge success.

Fashion Show Being Sponsored By Library Group

A fashion show to be held Tuesday evening Oct. 13 at 8 p.m. in the Tinley Park Methodist church, is being sponsored by the Friends of the Library.

The members of the organization will model the latest styles in fall clothes being presented by the Cinderella shop of Palos Heights.

Refreshments will be served. Tickets for the fashion show may be obtained from any of the members or at the door. The public is invited.

4-H NEWS

Alpine Girls

The Alpine Girls 4H club met Sept. 28, at Maue school. The meeting was called to order by Elaine Yunker, president. Roll call was taken, followed by the secretary and treasurer's reports.

New officers were elected as follows: Joan Stellwagen, president; Janice Knieriem, vice president; Elaine Yunker, secretary; Barbara Strassenburg, treasurer; Diane Coleman, reporter; Carol Bettenhausen, recreation chairman, with Beth Doctor, Janis Gee and Melody Gee as assistants; Kay Maue, Federation delegate; Elaine Yunker, alternate.

The evening was spent weaving baskets. The meeting was ended with the 4H pledge. Janis Gee and Kathy Doctor served refreshments.

Time forecasts that during the last quarter of this year the U.S. economy "will pass a long-awaited milestone far ahead of schedule." We will be producing, earning, spending and investing at the rate of \$500 billion -- half a trillion -- a year. This works out to the production of about \$11,000 worth of goods and services for each of the country's 45 million families.

Speed and School Zones

The decision the Illinois attorney general's office makes regarding the law concerning establishing speeds for cars in school zones is awaited with considerable interest by communities in the area.

The law says, in brief, that a speed limit of 20 miles an hour can be set for a school zone by the government agency that maintains the road.

State highway officials thus claim jurisdiction of speed limits on all streets and highways built or maintained entirely or in part by state funds. This would include arterial streets, it was said, and practically every village and city in the state has such streets that are maintained thru allocations from the motor fuel tax.

As a matter of fact most of the county and town roads are built or maintained in part from state funds.

Under the school zone law relating to speed limits it would appear that the state highway department is the boss. Whether the state would be willing to relinquish such a role, in the event the attorney general comes up with a different interpretation of the measure, remains to be seen.

An opinion from the attorney general has no legal effect — such as would be the case in the event it was delivered by a court of record — any more than would the opinion of any other lawyer but it does carry quite a bit of weight.

It would be interesting to have someone go

to court with the case and eventually get a ruling from the supreme tribunal of Illinois on just how tight a bind the state can tie with purse strings.

In Orland Park, for instance, the state has posted West ave. with signs fixing the speed at 30 miles an hour. Residents along that thoroughfare complain that such a speed is too great in view of the fact that so many school children use the street. The village board would like to have it designated a school zone but the question is — who is boss.

In Mokena it has been suggested that the speed along Wolf road in what would be designated as a school zone or zones be limited to 20 miles an hour, where the signs allow 30 and 35 m.p.h. The village of Mokena does not maintain Wolf Road so under the law as it appears to be written the state highway department sets the speed.

Granted the state owns the road but the children belong to Mokena.

It seems to us that cities and villages should have control over the traffic within their boundaries and are in better position to judge what speeds should be allowed than is the state highway department.

It appears that one way speed limits are fixed is thru observation of traffic. If the limit is say, 25 miles an hour and most drivers travel at 30, then the limit is raised to that figure, or if they drive 35 then 35 m.p.h. becomes the legal speed. In brief, the limit would appear to be set thru violations.

There should be another way.

On Second Thot

By Glenn F. Logan
The annual Fall Art Show, the only thing of its kind in the world, has opened its doors in the midwest and is scheduled for a run of several weeks.

This exhibit, which never fails to elicit deep admiration by the viewers, is unique in that the entire show is devoted

to landscapes and all the work of one master, Dame Nature.

She paints boldly, with colors that many artists are afraid to use for fear that viewers will contend that they are false.

Dates for these annual fall shows vary with the latitudes. While personally we like the general belief that J. Frost plays a big part in mixing the paint with which the leaves are colored, science says, "No."

Science explains that the colors are pigments from su-

gars and other elements that blossom out when the chlorophyll retires to rest up from its labors. When the green goes, the yellows, reds, browns, scarlets, russets emerge and fill the landscape with their glory.

Science must be right for when you come to think about it the foliage begins turning before there has been frost-like this year for instance in this region.

The trees are turning now in this area. Some of the oaks, of course, still retain their summer color but the other varieties are slipping into their autumn dress.

The woods are splashed with yellows and reds — the latter especially prevalent on the sumacs and various vines and as the season advances the colors will become more brilliant.

Soon the maples will be a flaming gold while other species will take on streaks and spots of crimson.

There are some who don't like autumn. They look upon

DENTAL HEALTH

ARTIFICIAL DENTURES

If necessary you can have your upper teeth removed during your lunch hour and walk back to work with an artificial denture in your mouth.

The immediate denture has eliminated the embarrassing period of toothlessness following extraction.

Not only is a psychological advantage gained, but a physical advantage as well.

Dentists say it retains the tissue in a more normal condition. It cuts down much of the tendency of the gums to bleed. The chewing muscles go to work faster, thus preserving the facial contours.

Of course one does not walk into a dental office on the spur of the moment and make the new-teeth-for-old exchange.

The dentist will remove the back teeth several weeks before the new denture is to be inserted leaving the front ones for appearance. When the back gums heal over, impressions are made. Records are also made of the relation of the upper jaw to the lower one.

Immediate dentures have to be relined and reconstructed as gum resorption occurs in succeeding weeks.

During all this time the patient is able to eat and carry on in business or social life.

Artificial teeth can be made to reproduce characteristics of the old teeth which may have had corners broken off, spaces between the teeth and even a few stains. This is done so expertly, even the patient's family doesn't suspect.

As for gums, synthetic resins have been developed that closely resemble the natural

it as melancholy season although why one should feel sad with the countryside a blaze of color is difficult to comprehend. Of course there are some gray days, some rainy days but October always has its marvelous days too, with and a snap and tang to the blue skies, bright sunshine, air that invigorates and adds zest to life.

Indian Summer is one of the most pleasant times of year. One knows, of course, that winter is not too far off but why borrow trouble?

One can do little about the future so the best thing is to take each day as it comes and do our best to make it count as a pleasant one — for others as well as ourselves.

Letters to the Editor

DEFENDS TRUCKS

Dear Sir:

I have read with much interest and disgust your recent editorial panning the trucking industry.

I also note that someone wrote you about it but failed to sign his letter. I will sign this one so you will have no reason not to print it.

It takes no genius to figure out your reasoning is all wet. For the past 12 years, I have been employed in the trucking industry. I know first hand what we must pay in taxes each year. That you should say the ordinary motorist is paying for the highways the trucks use, is ridiculous. The average car can get 15 miles to a gallon of gas. The average truck can get only 4. So unless simple arithmetic has changed, the amount of taxes paid by the trucks on gas is almost 4 to 1 in relation to the motorist.

Furthermore, the state of tissues. This material is a boon in restoring confidence to persons with short upper lips who might be particularly self-conscious about their appearance.

Learning to eat with dentures is like learning to drive a car. Some learn rapidly and in no time are competent in eating apples or corn on the cob. Others have difficulty in getting the hang of it. The right mental attitude is important, dental authorities are agreed.

Most authorities also agree that artificial dentures should be worn constantly, even while they should be cleaned after every meal and before retiring to eliminate denture breath.

(Next week: Dental Bridges and Partial Dentures).

Illinois requires you to have the correct size license plates for the loads you haul. Therefore, an interstate carrier licensing a truck in Illinois to carry a payload of 32,000 lbs. must buy an 'N' plate costing over \$1,100. If he operates in Chicago at all, he must purchase their vehicle sticker, which on that size plate is over \$400. Now, you tell me if he is not paying his fair share in license fees.

Now let's talk about your ridiculous proposal on truckers building their own roads. Just how stupid do you think people are? You say if trucks were prohibited from highways, they could be built cheaper. This is not true. Highways must be built to last, whether cars or trucks, or both use them. You will notice that streets and highways, built poorly, and not used by trucks, go bad just as fast as roads used constantly by trucks and buses. With modern engineering methods, highways are built to last under any conditions. This is for everyone's safety and I'm sure the money saved by skimping on materials because only autos would use a highway, would not be sufficient to warrant building a road system for trucks only.

Did you ever think of how the chiselers and profiteers would gouge the truckers trying to buy land to build the highways?

The rail beds the railroads use now cost them nothing. They were given to them by a nation looking for efficient transportation. However, today this is no longer the most efficient way to handle freight. A truck can get it anywhere faster and cheaper than the rails.

Let's stop knocking the

Thursday, October 1 1959

Page 11

trucking industry. This whole town depends heavily on trucks for its daily existence. If you were to check, you would find a large part of the people living in Tinley Park do work either directly or indirectly related to the trucking industry. It is their money which is paying their taxes, their water bills, buying their groceries from local merchants and even buying your newspaper.

So let's not knock an industry just as vital to the country as the railroads. I know you favor them. But let's get up to date and stop these biased editorials. Let's let competition decide the issue. The

truck lines are paying their way.

Woman's Club To Meet Next At Sash Home

By VIRGINIA SASS
New Lenox 3133

The Marley Womens club will meet on Thursday afternoon, Oct. 8 at the home of Mrs. Loren Sass. Mrs. Charles Sievert will be the assisting hostess. The program topic will be "Florida or California—Which?"

Mr. and Mrs. Clayton Cleveland returned home Saturday evening from a ten day motor trip thru the southern states. They visited their son Darrel, at Ft. Gordon, Augusta, Georgia. They were also guests in the home of Mr. and Mrs. Carrol James and family at New Orleans, La.

Mr. and Mrs. Louis Stelter have moved into the Liberty house on Maple Road.

Mrs. William Hansen will speak to the Freeman Fellowship and BYF in the Marley church, Sunday evening, Oct. 4 at 7:30 o'clock. Her topic will be "The Exceptional Child." Mrs. Hansen is a teacher in the Joliet Public school system. Everyone is welcome to attend this program.

Mr. and Mrs. Robert Peterson and son Mark of Melrose Park were supper guests Sunday evening in the home of Mr. and Mrs. Glenn Peterson.

Mr. and Mrs. Kenneth Nuttner and son Mark have returned home after spending several days in Detroit.

Mr. and Mrs. George Albright of Joliet were guests in the home of Mr. and Mrs. Robert Sproat on Sunday afternoon.

Mrs. Ella Heggie of Joliet was a guest last week in the home of Miss Bessie Sproat.

Mrs. Beatrice Coe of New Lenox was a guest in the home of Mrs. Adella Sproat on Sunday afternoon.

Mr. and Mrs. William Dudick appeared on the TV Polka party show on Channel 9 in Chicago, Saturday night. Mrs. Dudick was presented with an orchid in honor of her birthday.

Guests Sunday evening in the Clayton Cleveland home were Mr. and Mrs. Tom Huttenhoff and children Cindy and Mickey, Mr. and Mrs. Lloyd Cleveland and sons and Mrs. Florence Hass of New Lenox.

World Wide Communion will be observed on Sunday, October 4 in the Marley church during morning worship at 10:30 a.m. Sunday school begins at 9:30 a.m. There are classes for all ages from primary thru the adults. During the next six Sundays, the Sunday school is striving to increase attendance by 10% over the attendance during the same time in 1958. The World Fellowship offering will be received, during Sunday school and morning worship.

Members of the Marley church will attend the Billy Graham Crusade at the Wheaton College Stadium on Sunday afternoon, Oct. 4 at 3 p.m. There are sixteen tickets remaining. Anyone interested in going, contact Rev. Hamer for the tickets.

A special called business meeting will be held at the Marley church immediately following morning worship on Sunday, Oct. 11.

Allows 30 Acres of Feed Wheat

Football was strictly a game for kicks until 1823. The World Book Encyclopedia reports that a player at Rugby, England, disgusted with his ineffective kicks at the ball, finally picked it up and ran with it. Carrying the ball became an accepted practice — except for those purists who refused to use their hands. They called their game "association football" to distinguish it from the other, which became known as rugby. Association football was later abbreviated to assoc... and then changed to soccer.

PTA Council Meets Oct. 1 in Peotone High

By MRS. EMIL WILLE
Frankfort 3161

The Eastern Area Council of PTA will meet Thursday Oct. 1 at the Peotone High school. Mr. and Mrs. Patrick J. Spratt are the proud grandparents of a baby girl, born Sunday Sept. 13. The parents are Mr. and Mrs. Henry Dornisch of Waukegan. She has been named Deborah Lee. Mrs. Dornisch is the former Patricia Spratt.

Mrs. William Frankenberg entertained a few guests in her home in honor of her daughter Donna's ninth birthday. Those present were Donna and Marilyn Hicks, Nancy Delaney, Marjorie Gudgeon, Gloria Kubeck, Debbie and Judy Clark and Terry Frankenberg. Games were played and cake and ice cream served.

Mrs. James Delaney entertained at a birthday party in honor of daughter Nancy's 9th birthday Friday afternoon after school. Those present were Ricky Harms, Billy and Mary Ann Madsen, Barbara Ball, Marjorie Gudgeon, Gloria Kubeck, Donna and Marilyn Hicks, Donna Frankenberg, Frances Bulands, Patty Tyler, and Anita Olson. Games were played and cake and ice cream served.

PTA News

Mokena Unit
The Mokena PTA held its first meeting Sept. 22 in the Carpenter Street school. Mrs. Michael Diagiula welcomed all parents and teachers present.

Mrs. Juanita Clark, safety chairman, presented the problem of the unguarded crossing on Wolf road at the entrance to Willow Crest school.

Anthony Dina, civil defense director for Mokena, was introduced. He reported that it is not the responsibility of either the village board or school board to provide crossing guards. If either board did so it would amount to considerable expense which the budget does not allow and would eventually lead to a rise in taxes. To solve the immediate problem Dina asked mothers to volunteer a crossing guard, each to serve one day a month. Mrs. Delores Kiedaisch was appointed to head the group of volunteers. Dina promised the backing of the village police force. Volunteers were to be sworn in by Dina after the meeting.

Mrs. Mary Lee Bressler, membership chairman, announced that the membership drive would start soon.

Mrs. Cappel, principal, introduced her teaching staff.

Room count was taken and Mrs. Minnie Pestors eighth grade room won the attendance award.

Mrs. Loren Collins, program chairman, introduced Dr. Andrew H. Houbey, O. D., eye specialist. He gave an interesting talk illustrated with slides on the work he has done with children's eye problems.

Mrs. Clarence Laufer and Mrs. Robert Hunniford, eighth grade room mothers, served refreshments.

Parents Plan Monthly Fish Frys To Finance Bus for St. Jude's

By DELORES ANDERSON
Tel. New Lenox 3651

Every month on the first Friday, starting Oct. 2, St. Jude's church will conduct a fish supper. Cole slaw, french fries, coffee and milk will accompany the main dish. Games and an attractive prize will make it an evening of fun for the whole family!

All members of St. Jude's Parents Club are joining efforts to make these monthly fish fries a success, the money from them to be used to buy an urgently needed school bus. The two busses in present use must cover an area of 36 square miles, twice daily, since the majority of the 250 students enrolled requires transportation to and from school.

Gene Shubert, president of the club, will be general chair man of the fish fry for October, while Mrs. Les Brown and Mrs. John Ryan are handling the supper arrangements.

Frank Romeo will oversee the games.

Mrs. James Brooks is ill at Silver Cross hospital.

Opening meeting of the season for members of the Second Child Study club was held last Thursday evening in the home of Mrs. Leo Murskyj, with Mrs. Harold Youngren assisting.

Mrs. Dale Drake presided. Two new members welcomed were Mrs. Gerald Roessel and Mrs. Charles Eller.

Mrs. Howard Ayres, guest speaker, presented a talk on "Your Child and Music". Mrs. Ayres stressed that with modern teaching methods, learning to play a musical instrument is not the tedious chore it once was, for children. Instead, it can quickly become a source of pleasure and self expression.

As a way of making additional money, to buy books for the library, Mrs. Drake proposed that at each meeting a different member bring some form of bakery goods to be awarded some member. This met with group approval.

It was voted that the membership limit be raised from 15 to 20. A social hour followed the meeting, with dessert coffee served from a table covered with a brown linen cloth, setting off a red and mustard colored fall flower arrangement.

The next meeting will be held at the home of Mrs. William Penn, Oct. 29. Mrs. Elmer Lawler will be assisting hostess.

Among the 375 new students at Moody Bible Institute, Chicago, this fall semester is Roland Jedlick, son of Mr. and Mrs. C. Jedlick, 922 S. Ce.

Bruns, ticket chairman.

Sunday, Oct. 4 is the Walther League Fellowship will meet in the basement of Trinity Lutheran church. Devotions will be led by Shirley Schroeder and the worship topic will be given by Miss Ruth Benck. There will be a football film shown by Larry Wennlund.

The Debra circle of the Methodist church met Tuesday for their first fall meeting. Plans were made for the coming year. Hostesses were the Mesdames Dorothy Lewis, Lucille Tovrog and Marion Kerr.

Donald Denis, three year old son of Mr. and Mrs. David R. Denis, 182 Oakview drive, underwent surgery last Thursday in Silver Cross hospital.

Mrs. Bea Mann, 832 Prairie road, has had as her guests, her brother, Mr. and Mrs. Sydney J. Smith of Grand Prairie, Alberta, Canada.

A 2c and Mrs. Ronald Chesmore are parents of a 7 lb. 3 1/2 oz. baby girl born Sept. 23 in the base hospital at Merced, Calif. She has been named Kim Annette. Mr. Chesmore is the son of, Mr. and Mrs. Wayne Chesmore, 203 Elm st.

He is stationed at the Castle Air Force base near Merced.

The Garden club members will entertain their husbands at their next meeting Thursday, Oct. 1 at 7:30 p.m. It will be held at the Lions Den on South Cedar road. The program will be "Adventure in Nature" with colored film shown by A. Reuss of Blue Island. Hostesses will be Mrs. Roy Fitzer, Mrs. Thorval Larsen, Mrs. John Bell, Mrs. Walter Houchin and Mrs. Nick Skiniotes.

Episcopal Church News

The Womens Guild of Grace Episcopal church will meet in the home of Mrs. Karl Johnson, Thurs., Oct. 8 assisted by Mrs. Thorval Larsen. Plans will be made for Bishop Burdills visit. The Harvest Home festival will be held at the same time, Oct. 11 at 11 a.m.

The confirmation class will meet each Saturday at 10:30 a.m. Bishop Gerald Francis Burrill, D. D. will make his official visitation and administer confirmation to a class at the 11 o'clock service at the Harvest Home Festival, Oct. 11.

The Womens Guild will sponsor a covered dish dinner

in the parish hall following the service, to which the Bishop and the confirmation class will be guests of honor.

Men and boys of the Episcopal church will leave the parish house at 7:30 p.m. Oct. 1, to attend the Southern Deanery meeting at Christ Episcopal church in Joliet at 8 p.m.

Women of the church will attend an all day meeting, and luncheon Wednesday, October 7, of the Southern Deanery of Episcopal church, in the Christ Episcopal church in Joliet.

The First Child Study group will meet Wednesday, Oct. 7 in the home of Mrs. Bruce Sraut with Mrs. Kenneth Messenger assisting. Mrs. Mildred Berens will talk on Don't Push Your Child's Development. Members are asked to please take notice of the new meeting night, and try to be present for a hearing of the revised bylaws.

Mrs. Leonard Warning was a medical patient in Silver Cross hospital last weekend. Mr. and Mrs. George Smith, Francis road, spent the week-

QUIET REVOLUTION! ON DISPLAY FRIDAY! HOORAY! SMALL WONDER!

CORVAIR BY CHEVROLET! SMALL MIRACLE! THREE COMPACT CHEERS! FRIDAY!

THE REVOLUTIONARY Corvair

BY CHEVROLET

There's nothing like a new car—and no compact car like this de luxe Corvair 700.

Here's the car created to conquer a new field—Chevrolet's low-priced compact Corvair.

The product of nine years of research and development at the auto industry's most advanced facilities, it's America's first truly compact, economical car that retains the ride and 6-passenger comfort you're used to in a big one.

The key to this small miracle: America's first and only modern rear-mounted aluminum engine—a lightweight 6 that's so revolutionary it can be packaged with the transmission and drive gears as one compact unit.

By putting the engine in the rear, Chevrolet has made the floor practically flat, front and rear. There's plenty of foot room for everybody, including the passengers in the middle.

Shifting engine weight to the rear also makes for smoother, easier compact car handling and gives glued-to-the-road traction on ice, mud or snow.

Corvair's size—some 5 inches lower, 2 1/2 feet shorter and 1,300 pounds lighter than conventional sedans—makes it a joy to jockey through busy streets, a pleasure to park (no need for power assists). Its revolutionary Turbo-Air 6 gets up to 30% more miles on a gallon of regular (a real magician on mileage). And, because the

America's only car with an airplane-type horizontal engine! America's only car with independent suspension at all 4 wheels! America's only car with an air-cooled aluminum engine!

The engine's in the rear where it belongs in a compact car!

engine's air-cooled, you never have to fuss with antifreeze, you get quicker warmup with less wear on parts even on the coldest mornings (even heat for passengers comes quicker — almost instantly — from an airplane-type heater*).

Yet, wonderfully practical as all this sounds, you'll find the most practical thing of all about this new Corvair is its remarkably low price. Your

dealer's the man to see for all the short, sweet details.

REVOLUTIONARY TURBO-AIR 6
Gets up to 30% more miles on a gallon, needs no antifreeze, provides quicker warmup with less wear on parts.

ONE-PACKAGE POWER TEAM
Wraps rear engine, transmission and differential together into one compact lightweight unit. Takes less room, leaves you more.

STYLING—PURE AND SIMPLE
Clean, uncluttered lines shape both 4-door models—the de luxe Corvair 700 and the standard Corvair. Each has its own distinctive trim, and you get more visibility area than in many full-sized cars.

FOLD-DOWN REAR SEAT*
Works easily, instantly, adding to Corvair's versatility by enlarging rear seat cargo space to 17.6 cu. ft.

FLAT FLOOR
Corvair is America's only compact car with a practically flat floor, the only one with the kind of relaxing room that U.S. motorists are used to.

UNISTRUT BODY BY FISHER
Does away with conventional frame, incorporating all structure into a rigid body-frame unit that gives you more inside room with less weight.

UNDER-HOOD LUGGAGE COMPARTMENT
Trunk's up front (like an elephant's) where it's convenient for groceries, luggage.

4-WHEEL INDEPENDENT SUSPENSION
There's no conventional axle—front or rear. Wheels, cushioned by coil springs, take bumps independently of each other, for smooth, road-hugging ride.

*Optional at extra cost

FRANKFORT, ILL.

Discusses New Law Covering J.P. Elections

By Maurice W. Scott

A series of bills passed by the 71st Illinois general assembly makes significant changes in the laws relative to the justice of the peace system in Illinois counties, the Taxpayers' Federation of Illinois said today. These bills sponsored by Representatives Robert L. Burhans of Peoria, Bernard McDevitt of Chicago, and Jack Baird of Waukegan, require the county boards to take action before Jan. 1, 1961, as to the number of justices and their salaries, since these officers are no longer to receive their compensation on a fee basis.

Under the new legislation, the county board, in every county other than Cook, is required to divide the county into not less than three nor more than five districts, called justice districts, from which justices of the peace and constables are to be elected. This must be done before Jan. 1, 1961. Each of these districts is to be composed of not less than one township in township organization counties, and not less than one election district having a population of at least 1,500 inhabitants in the case of commission organization counties. The legislation further provides that these districts are to be of compact and contiguous territory, and, as nearly as practicable, of equal population. The board is permitted, in applying the population requirements to exclude all, or parts, of the population of municipal

ities in which there is a police magistrate or a municipal, city or town court.

What will determine the number of justices and constables in each county? The answer to this question depends upon the population of the county and the option exercised by the county board to increase or reduce the number of justices and constables. If the county board passes a resolution providing for an increase, no more than one additional justice and one additional constable shall be provided for every district for every 20,000 inhabitants or major fraction thereof exceeding 20,000 inhabitants in such district. At no time shall the total number of justices and constables exceed five of each in any one district.

If the resolution of the county board provides for a decrease, the number of justices and constables may be reduced to as low in number as one each in any justice district.

Counties passing resolutions increasing or decreasing the number of justices and constables must follow a time table: in township counties, the board must decide between

Questions and Answers Dealing With Social Security Problems

By CORNELIUS R. SHAFER HARVEY DIST. MANAGER

Q. I have been drawing security retirements for a number of years. Recently a friend of mine told me my benefits would soon be exhausted. Is this true? I am dependent upon my benefits for my livelihood.

A. No. Your benefits do not have a time limit on them nor are they ever exhausted. Your friend just slipped you some misinformation. You need have no worry that your social security payments will run out.

Q. I have been drawing social security benefits for my minor son who will be 18 years of age this coming November. Since he was still in high school at that time, will

April and June of 1960; in the 17 commission counties, the decision must be made between November, 1960 and January, 1961.

his benefits be continued until he graduates in 1960?

A. No. There is no provision to pay benefits to children past 18 except disabled children whose disability began before 18. Therefore benefits will cease when your son attains 18. Actually your sons last payment will be for October because benefits end with the month before the month of attaining 18.

Q. My husband and I have been drawing benefits at the minimum rate. Now he has died. Will my widow's benefit be only three-fourths of his \$33.00 monthly rate?

A. No. You will receive \$33 a month, although the widow's benefit is usually three-fourths of her husband's monthly rate; however, a widow alone will not be paid less than \$33.

Q. My wife and I have been receiving our social security benefits in a combined check. However, now that she is in a nursing home, is it possible for us to get separate checks—one sent to me and one sent to my wife at the nursing home?

A. Yes. Separate checks can be issued when a couple are separated. Separate checks will be issued upon request in cases where it is burdensome or difficult for the payees to promptly negotiate their checks.

Q. I am drawing social security retirement benefits. My wife is 49. We are considering

the adoption of our granddaughter, age 11. If we adopt her, how will my benefits be affected, and when.

A. If you and your wife adopt this child, both your wife and child will become immediately eligible for benefits, subject to a maximum amount. You should get in touch with your social security office when the adoption is final.

Q. Why do some people get back pay and others do not when they file a claim for social security benefits?

A. The law now permits retroactive payments for as much as twelve months prior to the month in which a claim is filed provided the individual was fully insured and of retirement age at that time and did not work and earn to the extent we could not pay for the months in the retroactive period.

Q. Does a wife lose her benefit check as a wife when her husband loses his benefit check due to earning too much.

A. Yes. The husband's working usually affects all benefits being paid on his account number.

Q. What is the most an individual can earn in a year and qualify for benefits for all months in the year?

A. You can earn as much as \$1,200 from any kind of work and still receive benefits for all months in the year.

Edison Company Orders 2 Giant Generators

Commonwealth Edison Company has placed orders for two big electric generating units totaling 805,000 kilowatts of capacity, it was announced by Willis Gale, chairman.

One of the new units will be a giant 500,000 kilowatt installation at Will county station near Lemont, scheduled for completion in 1963. The turbine generator will be built by General Electric Co. The unit is larger than anything now operating in the country although others of this size, and larger, are under construction. It will produce enough electricity to serve a city of more than half a million people.

The second unit, for which Westinghouse Electric Corporation will furnish the turbine generator, will be one of 305,000 kilowatts to be built at State Line Station on Lake Michigan at the Illinois-Indiana boundary. It is scheduled for service in 1962.

This 305,000-kilowatt State Line unit has just been added to the utility's construction program, whereas the larger unit had been in the company's previous planning. The addition of the 305,000-kilowatt unit, together with associated transmission facilities, has necessitated a sharp increase in the company's construction program.

The net increase for the four-year period 1959 to 1962, inclusive, is \$65 million to bring the total to \$625 million. The 1959 estimate is lower by \$10 million than previously planned but estimates for the three years 1960 thru 1962 have been increased by \$75 million.

NO WINNERS

Henry Hazlitt writes in Newsweek: "In the four major postwar steel strikes (excluding the twelve-hour strike of 1955) the total direct loss in wages to all the strikers, it can be calculated, came to more than \$830 million, most of which was never recovered by the strike 'gains'."

"Nobody wins a prolonged strike. The strikers lose most of all, even when 'victorious.' The union leader, of course, gets in the headlines. He strikes Napoleonic poses and displays his immense power. But if the union members kept a score card, it would considerably change their attitude toward melodramatic strike calls."

Legal Notice

State of Illinois)
County of Will) ss.
IN THE CIRCUIT COURT
OF WILL COUNTY
THE PEOPLE OF THE
STATE OF ILLINOIS, Plaintiff,
vs.
Clara Hume, Village of Peotone, a Municipal Corporation, Clerk of the Circuit Court of Will County, Illinois, as successor trustee, and Unknown Owners, Defendants.
NO. 57566

Notice is hereby given you, Clara Hume, the owners and holders of the notes secured by trust deed recorded as Document No. 252693, in Will County, Illinois, and Unknown Owners;

That Thomas L. Clinton has purchased the property known and described as:

Lots Four (4) and Five (5) in Block Twenty-eight (28) of the Village of Peotone, a Subdivision of part of the East half of Section Twenty-four (24), in Township Thirty-three (33) North, and in Range Twelve (12), East of the Third Principal Meridian, in Will County, Illinois;

at a tax foreclosure sale at the court house in the City of Joliet, Will County, Illinois, on the 31st day of January, 1957 between the hours of 9:00 A.M. and 4:00 P.M.;

That the property was last taxed in the name of Clara Hume and is currently being taxed in the name of Thomas L. Clinton;

That the description of the real estate purchased is: Lots Four (4) and Five (5) in Block Twenty-eight (28) of the Village of Peotone, a Subdivision of part of the East half of Section Twenty-four (24), in Township Thirty-three (33) North, and in Range Twelve (12), East of the Third Principal Meridian, in Will County, Illinois;

That included in the decree of foreclosure were the general taxes for the year 1928 to 1954, both inclusive, in an amount of Nineteen Hundred Forty-six and 01/100 (\$1,946.01) Dollars, which included interest and costs and special assessment taxes under Special Assessment Warrant No. 996, for North and street paving, which was confirmed by the County Court of Will County, by order entered July 9, 1928, under "AN ACT CONCERNING LOCAL IMPROVEMENTS", in the State of Illinois, and consisted of a total amount of Two Thousand One Hundred Sixty and 40/100 (\$2,160.40) Dollars which included interest and costs for both lots;

The property consists of two vacant lots which adjoin each other in the Village of Peotone;

That the time for redemption of said property from said foreclosure sale will be January 28, 1960;

That Thomas L. Clinton has filed a petition in the Circuit Court of Will County, Joliet, Illinois, in the above enumerated case on the 25th day of September, 1959, and if the

property is not redeemed from the tax foreclosure sale, that the petitioners shall make application to the Circuit Court of Will County for an order on the petition that the County Clerk of Will County execute and deliver a deed to the above described real estate, on the 29th day of January 1960.

Dated this 25th day of September, 1959.

Thomas L. Clinton purchaser

Oct. 1, 8, 15, 1959

NOTICE OF SALE OF SCHOOL PROPERTY

Notice is hereby given that on Saturday, October 10, 1959, the Will County Board of School Trustees will sell at Public Sale on the school premises at the hour of 10:00 A.M. (DST) and under the terms stated, the following described territory, to wit:

School building only of the former Gougar School District and now a part of the New Lenox School District No. 122. The building is located on a site adjacent to the new Trinity School Building near the intersection of Gougar Road and Francis Road, in New Lenox Township and near the east entrance to Highland Park.

Terms of Sale: The County Board of School Trustees reserves the right to reject any and all bids; the purchaser shall pay the full amount of sale price on date of sale. Bill of sale will be furnished if desired.

The successful bidder must agree to remove the building from the premises, foundation must be torn down, and ground leveled to grade, within thirty (30) days after date of sale.

ON DISPLAY! FRIDAY! SPACIOUS! POISED! BEAUTIFUL! LIVELY!

DISTINCTIVE! SATISFYING! ENDURING! SPIRITED! JOYFUL! SWEET!

Elegant Impala 4-Door Sport Sedan—one of 16 spanking new Chevrolets you can choose from.

THE SUPERLATIVE '60 CHEVY

This is the one that says '60 like no other car. From its clean-thrusting grille to its dapper rear deck, there's so much that is new and different about this superlative Chevrolet it stands out from the rest like a fresh-minted coin. And you'll be just as wide-eyed over what's inside—the relaxing roominess, tasteful trim, hushed elegance, all comfortably cradled by Full Coil springs at all four wheels. Yet, sumptuous as this new Chevy is, you'll find new economy of operation, new dependability, new longer life. Here, then, we're confident both you and your budget will joyously agree, is the nearest to perfection a low-priced car ever came!

Here's the car that introduces a whole new decade of design—with so much that's new and different that the other ones can only hope to come close. It's the superlative '60 Chevrolet—with new space inside, new spirit under the hood, new splendor in every clean-etched line.

Freshly shaped contours rake back from the unified new grille to the jaunty rear deck, fitted with craftsmanship you'd expect only on the most expensive makes. Inside, there's room to sprawl in, room to sit tall in, generously provided by Chevy's sofa-wide seats and

extra margin of hat space. And there's even more leg room for the man in the middle—thanks to the way Chevrolet engineers have shaved down the transmission tunnel.

Out on the road, as Chevy's Full Coil ride will persuade you most gently, there's not a car near the price that comes close to the hushed comfort of this one. And, adding to your sense of silence and solidity are thicker, newly designed rubber body mounts that do an even more efficient job of filtering out road shock, tire hum and vibration.

Quiet, quick-responding power is provided by a choice of two standard engines—Chevy's famed Hi-Thrift 6 and a new Economy Turbo-Fire V8 that gets up to 10% more miles out of a gallon of regular while delivering greater engine torque at normal speeds.

Chevy's accent on comfort and convenience even extends back to its easier-to-load (and tremendous) luggage compartment. You'll also find a convenient new parking brake that automatically returns to normal height after application, a new clutch linkage that filters

out even the smallest engine impulses more effectively than ever and a trim new two-toning motif that's available on all 16 fresh-minted models.

But, impressive as all this may look in print, there's really only one way to tell how near to perfection this superlative '60 Chevrolet actually comes...and that's to drop in on your dealer and drive one!

See your local authorized Chevrolet dealer

PTA Sponsoring Roller Skating Program at Grade School Oct. 6

By KATHARINE HEISNER
Frankfort 5187

The PTA announces the opening of the skating season of 1959-60. It will be held in the school gymnasium on Tuesday evening, Oct. 6.

Skating hours for children of grades 1 thru 6 will be 6:30 to 7:30 pm. Grades 7 and 8 and adults 7:30 pm. to 9:30 pm. No pre-school children will be allowed on the floor. Shoe skates may be secured by calling 4731.

Mr. and Mrs. Walter Pfaff entertained as dinner guests Sunday, Mr. and Mrs. Edward Walsh of New Lenox and Mr. and Mrs. Ralph Nieland.

Mrs. Ida Harmening, Miss Isabelle Harmening and Edward Gaines of Crete were among the guests at a potluck dinner held Sunday in honor of Mrs. Libbie Becker of Mokena and her 84th birthday anniversary, at her home.

Wallace A. Warning, son of Mr. and Mrs. Walter Warning, arrived home Sunday, after a month's tour of Europe.

A two weeks boat tour of Norwegian Fjords took him within sight of the Russian border. He also took a tour of Denmark and was at the birth place of Hans Christian Andersen. Other places of interest which he toured were Oslo, Norway, Helsinki, Finland, Stockholm, Sweden and Copenhagen, Denmark.

World Wide Communion services will take place next Sunday at St. Peter's church.

The St. Youth Fellowship will meet next Sunday evening at 7:30. After the devotions and business meeting, a movie entitled "Midwest Holiday" will be shown.

The Womens Guild will meet this Thursday afternoon at 2 pm. with Mrs. Hy. Bredt.

about Our Keep-Full And Budget
Plan

How you use gas
How you pay for gas under the
new Skelgas
BUDGET PLAN

Now, instead of paying four or five budget-busting
winter heating bills, you can pay the same small
gas bill each month, winter and summer.
It costs you nothing extra. You pay no interest,
no carrying charges, no down payment and no
meter charges.

Here's How It Works:

- We estimate the amount of gas you will use during the next 12 months.*
- We keep you supplied with Skelgas at all times.
- We send you a bill each month for only 1/12 the total cost of your estimated annual supply of gas.

*An adjustment will be made at the end of the year on the amount of gas actually consumed.

The Old Bank Building At Frankfort Ill.

ing was reported a great suc-
cess.

The Homer church choir will sponsor a concert at the church Sunday evening, Oct. 25, when they will present sacred and secular music, both vocal and instrumental. A free will offering will be taken for the purpose of choir equipment.

Word has been received of the death of Alan Ingersoll at a hospital in Pasco, Wash. Tuesday, Sept. 22 at the age of 57. Burial was at Pasco where he has recently made his home.

He was the youngest son of Mr. and Mrs. Judson Ingersoll, former Homer residents, and the brother of Ralph and Harvey Ingersoll of Homer. The family moved from here to Montana where they farmed for many years, moving back to Lockport following the death of their parents. Alan was a Texaco employee while in Lockport. Besides his brothers, he leaves two daughters, Mrs. Marion Jubie of Vancouver, B. C. and Mrs. Betty Haight of Pasco.

Funeral services were held Saturday, Sept. 19, at the Sonnet, Burgess and Wylie chapel, for Mrs. Nettie L. Hyatt, aged 91, who died at Provo, Utah, to where she moved from Joliet several years ago to make her home with her son. She was the widow of Dr. Frank Hyatt, a Joliet physician.

Born in Homer, the daughter of Emily and William Lan-
fear, she was a member of one of Homer's oldest pioneer families. She and Dr. Hyatt were prominently connected with the First Baptist church of Joliet during their long residence there. Burial was in Elmhurst cemetery.

Surviving are one son Clarence; three grandchildren and 15 great grandchildren, all of Provo.

Mrs. Robert Shepherd attended a Doll club meeting Wednesday in the home of Mrs. Theresa Papesh in Joliet.

Wrey White has returned home from Silver Cross hospital where he has been confined for several weeks following a heart attack. He will be at home for some time, not able to work.

Bruce Anderson is serving on jury in Joliet.

Mrs. Earl Burnworth and her house guest, Mrs. Tess Markiewicz, attended a social and business session of the area Marine Corps Auxiliary in the home of Mrs. Kate Vecovi in Lockport, Friday evening.

Other guests were Mesdames Lucille Smith and Muriel Jacobsen of Lemont, Mrs. Yolanda DePratt of Joliet, and Mrs. Anne Pearson, Ellen O'Neal and Helen Fracaro of Lockport. Delicious refreshments were served by the hostess at the close of the meeting.

Many Homer students attended the football game at Lockport High Friday evening. When Lockport played a close ly contested game with Joliet Catholic high in which Lockport won. The Sophomore game also was won by Lockport by a narrow margin.

Mr. and Mrs. Jerome Padock and Jerry spent the week end at Dearborn Village, Mich.

Rural schools were closed on Monday to allow the teachers to go to Institute.

FFA boys were busy gathering scrap paper for the LTHS drive Saturday.

Orland Park—

New Leader
Needed for
Brownie Troop

By MRS. LILLIAN KNOX
Fielddbrook 9-0211

Brownie Troop 420 is without a leader. Anyone interested in taking over the leadership of this fine group of girls, contact Mrs. Gene Kanost, FI 9-0071.

Orland Park Unit 526, the American Legion Auxiliary will meet at the home of Christina Horn, Friday evening, October 9th at 8:00 pm. Time to renew your membership for the coming year. Sarah Myrick is membership chairman, contact her or pay at the meeting.

16 members of Laurel Camp 1796 RNA met at the home of Annice Eckert Thursday evening, Sept. 24 for their regular meeting. A drive for new members is on. Laurel Camp has accepted 4 new members.

After adjournment, a few rounds of bunco were played, prizes awarded. Refreshments were served by Annice Eckert, Mae Hebel and Elsie Robson. The October meeting will be held at the home of Mabel Ekberg, with Blenda Buck and Marion Homerdig assisting. This will be a Halloween party and members are requested to come in costume.

Last Tuesday afternoon, September 22, the fire department was called to Rt. 45 about a mile north of 143rd st., where a car was on fire. There was slight damage.

The families of Earl Reish, Arthur Granat, Floyd Rauch, Mr. and Mrs. Harry Rauch and Mr. and Mrs. Herbert Sterling Sr., of Blue Island, gathered at the home of Mr. and Mrs. Herbert Sterling Jr., Sunday evening to celebrate the birthdays of Herbert Sterling and Earl Reish.

Bruce Coan, son of Mr. and Mrs. Francis Coan, 9960 W. 151st st., was pledged to Theta Chi, national social fraternity, following rush week which ended Sept. 13, at Illinois Wesleyan University, at Bloomington.

Ralph E. Granat, quartermaster first class, USN, son of Mr. and Mrs. George H. Granat of 14335 Oak ave., is serving aboard the radar picket submarine USS Raton, operating with the US Pacific Fleet out of San Diego, Calif.

The Raton returned to San Diego late this summer after spending six months in the Western Pacific.

During the tour the submarine operated with the US Seventh Fleet, participating in anti submarine warfare exercise. Being a specially equipped radar submarine, the Raton.

Lutheran Hour
Rally Set for
3 p.m. Sunday

Ins. Lutheran hour 1-24

The ninth Chicago and Lutheran Rally will be held Sunday afternoon, Oct. 4, at 3 o'clock in the International Amphitheatre, 42nd and Halsted streets, Chicago.

This rally is sponsored by the Lutheran Layman's League of Northern Illinois, president George E. Nottke of Elmhurst is general chairman of the planning committee. Otto A. Dietrich of River Forest is co-chairman. The rally is supported by 277 Lutheran congregations in Chicago and the northern third of the state.

The event will signalize the 27th consecutive season of broadcasting for the International Lutheran Hour, the world's most extensive religious broadcast. The

ton was also assigned the task of controlling jet fighters and bombers from carriers in various operations.

Ports of call visited during the cruise include Kaohsiung, Formosa; Hong Kong and ports in Japan.

Oct. 3 has been set as Rally Day at the Church of the Nazarene.

Special singers for the day will be the Carolaires Trio from Olivet Nazarene College in Kankakee. Members of the trio are Beth Hatcher, Detroit; Marilyn Kremer, Milwaukee; and Lee Bolland, New Brighton, Pa. They are the top trio at the college, traveling this past summer all through the midwest singing gospel songs and recruiting students for the school.

The trio will be singing in both the Sunday school at 10 and also the morning worship service at 11.

THIS IS YOUR CONGRESSMAN

The STREATOR TIMES-PRESS said in an editorial on June 13, 1959:

"Congressman Noah Mason of this district was one of the Congressmen honored at Washington for having served his Nation in Congress for 20 years or more... He has served with distinction, so that today he is recognized as one of the outstanding members of Congress... He is honest and sincere in his approach to all public problems... He merits an award, not only for length of service, but for the type and quality he has given his country."

Noah M. Mason

This advertisement is paid for by the Citizens Committee to re-elect Mason in 1960.

THIS IS YOUR MONEY BACK GUARANTEE

Why you'll be happier with an Electric Dryer

- Clothes dry sweeter in a clean, fume-free Electric Dryer.
- Nothing dries clothes faster!
- Fully automatic—no pilot to light or go out—ever!
- Dry every kind of fabric safely.

And remember, Electric Dryers cost \$30 to \$50 less to buy!

You get this Gold Certificate of Satisfaction when you buy any of the famous make Electric Dryers listed below between now and November 28, 1959. Offer available to any residential customer served by Commonwealth Edison and Public Service Company.
